REFUSE GERMAN NOTE ON LABOR

Allied Delegates Point to Reforms Outlined in International Labor Legislation.

Paris, Wednesday, May 14.—The [illegible]

[illegible] the last five years.

REPLY TO GERMAN NOTE

[illegible]

"CLEMENCEAU."

THE GERMAN NOTE.

The text of the German note which was forwarded on May 10 by Count Von Brockdorff-Rantzau, follows:

"The German peace delegation to the President of the peace conference:

"Versailles May 10 1919

"Sir

"With reference to articles 55 and [illegible] the proposals for the establishment of a league of nations submitted to us, we now herewith [illegible] the draft of an international agreement on labor law prepared by the German government

"The German government is of one mind with the Allied and associated governments in holding that the greatest attention must be given to labor questions. Domestic peace and the advancement on mankind depend vitally on the adjustment of this question. The demands for social justice [illegible] raised in this respect [illegible] working classes of all nations [illegible] only partly realized in principle [illegible] section XIII of the draft of peace [illegible] of the Allied and associated [illegible] on the organization [illegible] The maritime demands have, [illegible] been realized in Germany, with the assistance of the working classes as is generally acknowledged in an exemplary manner [illegible] to carry them into execution everywhere in the interests of mankind, the acceptance of the program of the German delegation is at least necessary. We deem it requisite that all states should join in the agreement, even though not belonging to the league of nations.

"In order to guarantee to the working classes, for whom the proposed improvements are intended, co-operation in the framing of these provisions, the German delegation is of the opinion that representatives of the national trade union organizations of all the contracting powers should be summoned to a conference at Versailles to discuss and take decision on international labor law, before the peace negotiations are terminated.

"The proceedings of this conference should in the opinion of the German delegation, be based on the resolutions of the international trade union conference in Berne Feb. 5 to 9, 1919 and the program for international labor legislation, addressed to the peace conference in Paris, which emanated from the decisions of the international trade union conference in Leeds in 1916.

"At the request of the trade unions of Germany, we beg to enclose a copy of these resolutions which have been adopted by the representatives of the trade union organizations of Bohemia, Bulgaria, Denmark, Germany, France, Greece, Holland, Italy, Canada, Norway, Austria, Sweden, Switzerland, Spain and Hungary.

"Accept Sir, the assurance of my highest esteem.

(Signed)

"BROCKDORFF-RANTZAU."

SAYS MILLIONS OF GERMANS MAY PERISH

[illegible]

[illegible] the war. There have been nearly a million victims of the blockade."

Count von Brockdorff-Rantzau [illegible] stating that he considers [illegible] before presenting further [illegible] to bring these general [illegible] to the knowledge of the Allied and associated delegates and promises to furnish statistical evidence if it is required.

AN INDUSTRIAL STATE.

[illegible]

YANKS QUIT GERMANY SOON

If Treaty is Signed, Most Americans Out By June 1.

[By The Associated Press]

Coblenz, Tuesday, May 13.—If the Germans sign the peace terms, all the American troops except the Third corps and three divisions and a few headquarters units, will be out of the occupation district of Germany by June 1 or soon after that date, according to reports in circulation in Coblenz

It is understood that the first, second and third regular divisions will be those to remain for the duties in connection with turning over the area to French control. If the Germans accept the peace conditions, it is understood, preparation will begin immediately for the remaining three divisions to withdraw to France preparatory to embarking for home.

The length of time required to turn affairs over to the French has not been determined, but it is estimated that it may take perhaps a month longer. If the Germans do not accept the plans will be changed materially

Gen. Pershing when asked by the correspondent Monday what would be the part of the American army in the event the Germans do not sign the treaty said it may be depended upon that America will do her part, whatever that may be

In connection with the report, it is understood that the headquarters of the Third army will remain in Coblenz with Lieut.-Gen. Hunter Liggett in command.

Plans for the transfer of the Americans from German soil have advanced to such an extent in the last few days that latest estimates are that possibly by August the duties of the great mass of the Americans in connection with occupation will be virtually at an end and the last dough-boy will have said good-bye to the Rhine

The Fourth, Fifth, Sixth and Seventh regular army divisions will be turned over to the service of supply Various other units in the area of occupation also will be ordered to France.

Plans have been prepared so that when the Germans sign the treaty to begin moving the troops immediately. It is hoped to move eight trains loaded with troops daily.

BABIES GET MILK DESPITE STRIKE

3,000 Chicago Wagon Men Still Out.

Chicago May 15— Babies and sick persons of Chicago will have milk today despite the strike of 3,000 wagon drivers and every one of the 450,00 consumers can have milk by going after it at the 700 stations throughout the city, from which it is ordinarily distributed This announcement follows a series of conferences held by Health Commissioner John Dill Robertson with officials of the Milk Wagon Drivers' union and heads of the milk distributing agencies.

MAY RAISE MILK PRICE.

The Illinois Milk Dealers' association issued a statement to the public today saying that the price which the consumer shall pay for milk is the question which is raised by the strike The statement adds:

"If the demands are granted the price of milk will be materially advanced and was $2,000,000 added to the annual milk bills of the Chicago public This is neither fair nor necessary at this time. We ask your support in our fight against it."

The contract between the agencies and the drivers expires on May 1 and since that time negotiations regarding demands for increased wages have been in progress until midnight yesterday when the strike was declared to be "on." Drivers were getting $26 a week and demanded $35; they were offered $30 Foremen were getting $35 a week and demanded $41 they were offered $30 and $31 Inside men were getting $10 and demanded $21 they were offered $23

CHARGE LOCKOUT

The milk wagon drivers declare the trouble is a lockout on the part of the agencies the agency heads say it is a strike. There are thirty big plants involved in the tie up and 100 similar plants. The daily sale of milk to the 450,000 customers of the concerns involved is given as 1,000,000 quarts.

SHIPMENTS REDUCED

Shipments of milk from the district from which the city gets its supply were cut more than 50 per cent, members of the dealers' association stated, and it was thought these might cease altogether. Many country dairies were closed down, reports received here said

United States District Attorney Clyne stated today that if shipments of milk in interstate transit are interrupted by strikers the offenders would be prosecuted.

OIL SHIP BURNS IN MONTEVIDEO

Montevideo Wednesday, May 14.—The new American five-masted schooner City of Mobile, which arrived here on March 28 from Port Arthur, Tex., with a cargo of petroleum was burned here this afternoon. One member of her crew is missing and seven sailors were injured in fighting the fire.

The loss is estimated at $500,000. The fire followed an explosion, newspaper reports saying that faulty construction of the vessel was a contributing cause. The vessel is still burning, the heat being so great that it can be felt half a mile.

The City of Mobile was a wooden vessel with a capacity of 1,776 tons. She was in the oil trade between Port Arthur and South American ports.

SEE NO CHEAPER BREAD PRICES

Minneapolis, May 15.—Minneapolis millers declared last night that although the United States Grain Corporation may provide the mills with less expensive wheat from Canada, they did not believe it would be possible for them to reduce flour prices sufficiently to make decreased bread prices possible.

PROTEST FROM CONFERENCE

Paris, Wednesday, May 14. — The women's international conference for permanent peace, which is meeting at Zurich, has sent the following communication to the peace conference

"This international congress of women expresses deep regret that the terms of peace proposed at Versailles should so seriously violate the principles upon which alone a just and lasting peace can be secured and which the democrats of the world had come to expect By guaranteeing the fruits of secret treaties to the conquerors, the terms of peace have tacitly sanctioned secret diplomacy, denied the principle of self-determination, recognized the rights of the victors to the spoils and created all over Europe discords and animosities which can only lead to future wars

"By demanding disarmament from one set of belligerents only, the principle of justice is violated and the rule of force is continued By the financial and economic proposals 100,000,000 people of this generation in the heart of Europe are condemned to poverty, disease and despair, which must result in the spread of hatred and anarchy within each nation.

"With a deep sense of responsibility, this congress strongly urges the Allied governments to bring the peace treaty into harmony with those principles first enunciated by President Wilson, upon the faithful carrying out of which the honor of the Allied peoples depends."

The communication was proposed by Mrs. Philip Snowden of England and was seconded by Miss Jeanette Rankin, former member of the United States congress from Montana. It was approved unanimously by the women's conference at which fifteen countries are represented America has 25 delegates at Zurich and Great Britain 23.

FUTURE PLANS FOR RED CROSS LEAGUE

Washington, May 15.—Future plans of the league of Red Cross societies, as announced by Henry P Davison, chairman of the organization's board of governors at Paris were made public last night at Red Cross headquarters here

Invitations to become members of the league, Mr. Davison announced have been extended to the Red Cross societies of the following countries:

Argentina, Australia, Belgium, Brazil, Canada, Chili, China, Cuba, Denmark, Greece, Holland India, New Zealand, Norway, Peru Portugal, Roumania, Serbia, South Africa, Spain, Sweden, Switzerland, Uruguay and Venezuela

The founder members of the league are to be the Red Cross societies of the United States, Great Britain, France, Italy and Japan

BRAZIL HONORS MEMORY OF T. R.

Rio Janeiro, May 15.—A memorial service to Theodore Roosevelt was held Tuesday in the Brazilian chamber of deputies It was decided that the chamber should send a message of condolence to the Roosevelt family.

DENY SURRENDER OF EX-KAISER

The Hague, May 14. — The Dutch government denies that it has decided to surrender former Emperor William The question at present, it contends, concerns only Germany and the Entente.

NEW SPEAKER TOO STOUT WITH GAVEL

Washington, May 15. — Speaker-elect Gillett yesterday rehearsed the calling of the house into session for the benefit of motion picture companies and so vigorously did he rap for order in the empty chamber of the house that he broke the handle of an ivory gavel, which had been given him by a friend.

DIRIGIBLE AT ST. JOHNS

Big U. S. Balloon Makes Long Trip in 25 Hours.

St. Johns, N. F., May 15 — The American naval dirigible C-5, scheduled for a possible non-stop flight from this port to the British Isles, arrived here today after a day and night cruise from Montauk point, N. Y The balloon had been in the air 25 hours and 45 minutes.

READY TO SAIL OVER-OCEAN

The C-5 was ready for a flight across the Atlantic, her commander Lieutenant Commander Coil, declared as he stepped out of the dirigible's basket. Both the crew and the machine stood the trip well, he said. As yet, he added, no orders had been issued for future movements.

With Lieut. D. P. Campbell at the wheel, the big bag made a perfect landing within the narrow confines of the old cricket field used as an anchorage. It had been seeking St Johns for several hours, its radio having been out of commission for a time, Lieutenant Commander Coil said, and the last few miles of the journey was made by following the railroad track to this city.

The blimp's troubles began shortly after midnight, the commander said when the sky became overcast. Before that time the ballonists had operated under a full moon, flying at an altitude of 1,000 feet. The big craft lost its bearings when approaching Little Miquelon island, off the south coast of New Foundland and about 170 miles from St. Johns

NC-4 TO TREPASSEY.

Halifax, N. S., May 15—The American naval seaplane NC-4 left today for Trepassey, N. F., to join the NC-1 a NC-3 for the trans-Atlantic flight.

Halifax, N. S., May 15—The American navy seaplane NC-4 after leaving Halifax this morning for Trepassey, N. F., descended at Musquodoboit harbor, owing to engine trouble, but resumed her flight at 11:17 a. m. (New York time).

The plane's trouble, according to a wireless message received by the [illegible] Baltimore, was with the oil lines. A little more than two hours' work restored the mechanism to operating order.

BIG AIRPLANES START FROM TEXAS

Love Field, Dallas, Tex., May 15.—Five giant De Haviland airplanes left here shortly after 11 o'clock today on the first leg of a cross-country army recruiting flight to Boston

YANK FLYERS MAY HOP OFF

Trepassey, N. F. May 15—Commander John H Towers, chief of the American seaplane division, announced today that the NC-1 and NC-3 might start before nightfall for the Azores.

BRITISHERS READY.

St Johns, N F, May 15—Reports received through the American air station here led Hawker and Raynham, the British airplane pilots, to hope that a start would be possible today in their long delayed attempt to fly to England

HARD TO GET JURY IN FORD SUIT

Mount Clemens Mich May 15. — The new panel summoned last night as possible timber for the jury in the libel suit of Henry Ford against the Chicago Daily Tribune, et al, was exhausted yesterday and a further summons for additional veniremen was sent out last night

Mr. Ford came to Mount Clemens, but did not enter the court room.

The exercise of peremptory challenge forwarded the task of getting a jury Four of these were used by counsel for the Solomon News company and one by plaintiff's counsel. This left four peremptory challenges still to be exercised by Tribune and three by counsel for Ford. This was taken to indicate that the jury would be completed today.

At adjournment there were twelve men in the box passed for cause by both sides, but as seven peremptory challenges remain it is certain that five of them will be on the jury when it is sworn in

MORE DELAYS IN BIG LIBEL SUIT

Mount Clemens, Mich, May 15—Delay which may make it impossible to complete jury in the Ford-Tribune libel suit today was encountered when Judge Tucker's court was called to order this morning

This was due to necessity for more time for the lawyers to make investigations of the panel of sixteen veniremen summoned late last night.

The men already in the box were given recess but instructed to remain within call until the Ford lawyers who were not in court at the opening were ready Later the recess was extended until this afternoon.

LAST OF 33RD LEAVES FRANCE

Four Big Vessels Sail Today With Illinois Men.

Brest, May 15.—The complete 33rd (Illinois national guard division) will be on its way home before night fall. Troops of the division and 12,000 men of the 89th division were to sail today on the Leviathan, Agememnon, America and Imperator—in all 30,000 men under the American flag.

The Leviathan will sail this evening with 12,000 troops. Among the passengers will be Henry P. Davison, chairman of the Red Cross war council, and Representatives Julius Kahn of California and Richard Olney of Massachusetts.

The transports Agememnon and America will sail today.

Lieutenant General Robert L. Bullard and Senator William J. Harris of Georgia sailed on the steamer Kaiserin Auguste Victoria last evening.

LOWDEN WILL GREET 33RD BOYS

Springfield, May 15. — Governor Frank O. Lowden, accompanied by Adjutant General Frank S. Dickson, left here today for Chicago, where tonight they will proceed to New York to welcome the 33rd (Prairie) division home. The 33rd division, consisting of former Illinois guardsmen, is scheduled to arrive Friday evening on the Mount Vernon.

Besides the governor and the adjutant general, other members on the welcome committee which will go east from Chicago include Joseph E. Mason, auditor of finance; Fred E. Sterling, treasurer; State Senators Curtis and Brady and Former State Treasurer Len Small.

The governor early today received a telegram from the war department announcing that the Mount Vernon would dock Friday evening instead of Saturday, and as a result the welcome committee had to change its plans, as it intended leaving Chicago tomorrow.

BAKER DENIES STORY ON MEAT CONTRACT

Washington, May 15 — Secretary Baker denied yesterday there was any relation between any attempt to support the price of meat supplies in this country and the tentative arrangement reached by representatives of the war department and the packing industry for the disposal abroad of 250,000,000 pounds of canned meats. The department announced a few days ago that this stock, amounting to the normal output of American packing companies for two years would be placed on the American market

"There has been misapprehension with regard to the policy of the department," the secretary declared. "The meats in question are specially prepared products, in special containers, and of a kind never sold commercially in the United States, roast beef and especially salted pork which are not articles of ordinary commercial trade here. The question of disposing of these supplies is not one of maintaining price levels, the war department has no interest in that, but of finding some way to dispose of them

"So much of the supplies as are of the ordinary commercial kind, we are selling in the United States in any way in which we can prevent speculation, but especially prepared army supplies are not known to the commercial and buying public and they would not be available for ordinary commerce here.

"There has been no agreement with the meat packers with regard to the distribution of meat supplies, but they have suggested that the most practical thing would be to sell these supplies in Europe, instead of disposing of them in this country, because of the fact that they are packed for transportation across the ocean, In this way it would not be necessary for the packers to prepare other food for transportation while the present supply is being distributed in this country."

NEW TRIAL FOR BIBLE STUDENTS

New York, May 15—Reversal of the conviction of Joseph F. Rutherford and seven other members of the International Bible Students' association, and allied organization, who were found guilty of violation of the espionage act was ordered today in an opinion of the United States circuit court of appeals here.

The opinion states that the defendants, who were convicted by a jury before Federal Judge Harlan C. Howe in Brooklyn, did not have a fair trial

$20,000 ROBBERY NEAR CHICAGO

Chicago, May 15.—The Bank of Dolton, Ill, a small town in Cook county, was robbed of $20,000 by five bandits today The marauders escaped toward Chicago in an automobile.

AUSTRIAN DELEGATES ARRIVE IN FRANCE

(By The Associated Press)

Paris, May 15.—Karl Renner, Austrian chancellor, brought his peace delegation and attendants to St. Germain, near Paris, yesterday and later will appear before the representatives of the Allied and associated powers to receive the conditions which will spell peace for the former empire.

NO GERMANS GREET THEM.

A notable feature of the reception was the absence of Germans, who had requested permission to greet the Austrians, but had been denied this privilege. The perfect of the department, M. Chaleil, met the Austrians courteously, and although there was no official handshaking, many members of the party were greeted by unofficial handshakes from old acquaintances as they were being shown to automobiles.

The delegates then proceeded under military escort to the villas set aside for them lacking the high fences and sentries so much in evidence at Versailles.

Chancellor Renner was apparently in excellent spirits. He smiled engagingly and his eyes shone as he greeted the Allied representatives. He said:

"I hope I may go away with as joyful a heart as I bring."

It was a cosmopolitan crowd which awaited the delegation and the French, English, Italian, Japanese and American journalists and officers Some of the Austrians gazed inquiringly from the windows, as the train entered the station, uncertain of their reception, but Chancellor Renner was sure of his ground, and welcomed the friendly spirit displayed with heartiness and was reciprocated in a measure by those assembled.

SOME DEMANDS.

Members of the Austrian delegation questioned on their arrival, intimated that they would demand the attachment of German Bohemia and of German Tyrol to Germany and declared that without these concessions they would be unable to sign the treaty. This was not said with such conviction as would indicate a firm determination, and the impression was gained that they were ready to sign, even if annexation to Germany was not permitted.

FOSDICK TO REPRESENT U. S.

Washington, May 15.—Raymond B. Fosdick, a New York lawyer, who was chairman of the commission on training camp activities during the war, will be one of the permanent American officials in the league of nations when the league is organized. The exact position to which Mr. Fosdick will be appointed was not known today in Washington.

WHY LLOYD GEORGE TURNED DUNNE DOWN

London, Wednesday, May 14.—Andrew Bonar Law, government leader in the house of commons, admitted today that Premier Lloyd George had asked Frank P. Walsh, Edward F. Dunne and Michael F. Ryan, representatives of Irish societies in the United States, to call on him. He had planned to lay before them the British case and have it widely reported in America where it is insufficiently understood, Mr. Bonar Law said.

The premier has withdrawn the invitation, the government leader said, because, while he is willing to receive Americans, he is unwilling to receive those who "come to Ireland and not only take part in the politics of Ireland but also in rebellious movements."

WINNIPEG HAS GENERAL STRIKE

Winnipeg, Man., May 15—Winnipeg's union workmen walked out on a general strike at 11 a. m. today following the failure of metal workers and employers to adjust their differences.

COMMITTEE NAMED.

Winnipeg, Man., May 15—A citizens' committee of 1,000 persons was organized here today to cope with the general strike of more than sixty unions which was called by the trades and labor council for today. At 11 a. m. when the strike was to begin, Winnipeg was outwardly quiet.

MESSAGE BRIEF, SAYS WILSON

Paris, May 15.—President Wilson has advised the cable companies that his message to the forthcoming special session of congress will not be more than a few hundred words, enabling it to be cabled probably on the day of delivery

AWAIT NEW YORK DECISION ON BEER

Washington, May 15.—An opinion to the effect that the brewing of beer containing 2¾ per cent alcohol is illegal has been given by Attorney General Palmer to Internal Revenue Commissioner Roper, but officials explained that it would not operate to stop the manufacture of this beer pending a decision by the federal district court of New York in case now under consideration.

NEW HIGH SPEED PLANE PROPELLOR

Urbana, Ill, May 15.—Prof. Morgan Brooks professor of electrical engineering at the University of Illinois has developed a practically noiseless high-speed, steel airplane propellor intended for direct connection with the highest speed gasoline engine, according to announcement here

A considerable loss of power is now endured in the reduction speed gear used in all but the smallest airplanes, as airplane engines have a normal speed greater than the two-blade wooden propellor can stand.

This was of special interest to Brigadier General L. E. O. Charlton, air attache to the British embassy at Washington, who saw the models tested at the university recently.

The laws of air dynamics are sufficiently well known to make a test of a model almost conclusive as to the results to be expected from a full sized propellor, Prof Brooks said. At the same speed the thrust or pull of a propellor varies with the fourth power of a dimension, therefore the pull of five pounds found on test of an 18-inch model indicates a pull of 80 pounds of a propellor of 36 inches in diameter. The test was made below standard speed, so a normal thrust could be obtained for a practice plane with only 36 inches diameter, as compared to the eight-foot spread of the planes used in Chanute Field, Rantoul, Ill.

RUSS WHO AIDED SPARTACANS SLAIN

Berne, Switzerland, Wednesday, May 14.—An isolated band of Russian prisoners of war, armed and wearing Bavarian uniforms and under the command of Spartacan leaders, was overwhelmed by Wuerttemberg troops in a wood near Graefelfing, Bavaria, according to newspaper reports. They were court martialed and 52 men with the leaders were condemned to death and shot in a gravel pit near Lochhausen.

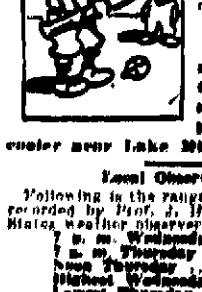

SIX DROWN AS BARGE SINKS

Portsmouth, N. H., May 15 — Six persons, including the captain's wife and four children, and the engineer were drowned when the coal laden barge Nanticoke, owned by the Potter Transportation company of New York, sank off the Isles of Shoals early today. Captain William Gray and Allen McDouglass, a deck hand, were picked up by the coast guard at Rye beach after they had drifted about in a small boat for several hours. They are the only survivors.

IT'S FORT SHERIDAN HOSPITAL NOW

Chicago, May 15 — Fort Sheridan ceases to exist as a military post today when members of two companies of the Twentieth regular infantry boarded a special train bound for Fort Riley, Kans. Henceforth the famous old military cantonment will be known as "Fort Sheridan General Hospital No. 28," with only wounded and necessary attendants on the muster rolls.

The Weather

Chicago, May 15 — Following are the weather indications for Illinois for thirty-six hours ending at 7 p. m. Friday:

Local thunder showers this afternoon or tonight; Friday partly cloudy, cooler near Lake Michigan.

Local Observations.

Following is the range of temperature as recorded by Prof. J. H. Coonradt, United States weather observer:

12-YEAR OLD BOY DROWNS IN RIVER

Lewis Schall Is First Victim of Year.

FELL FROM THE DAM

Companion Narrowly Escapes Death.

The Sangamon river claimed its first victim of the year Wednesday afternoon when about 5 o'clock Lewis Schall, twelve-year-old son of Mrs. Mae Schall, [illegible] South Jackson street, fell off the dam near the waterworks and was drowned. Harry Pick, of about the same age, who is here from Toledo, O., visiting his uncle, George Cook, 884 South Jackson street, was with Lewis and both fell into the water at the same time; but Harry managed to reach the shore and cry for help.

The boys had been standing on the dam throwing rocks into the river and one of the boys lost his balance and they grabbed hold of each other. Harry Pick said he didn't remember which one it was that started to fall first. In falling their hold on each other was loosened, otherwise both doubtless would have been drowned.

HEAR CRY FOR HELP.

Mrs. E. W. Carson of 1037 East North street, and her cousin, Mrs. C. H. Rickey, 1704 East Eldorado street, were in Greenwood cemetery fixing up the graves of relatives when they heard a boy cry for help. The cry was repeated several times and seemed to be growing weaker. The two women ran screaming toward the river. A man who was fishing some distance above the dam heard them and started toward them, thinking they were in trouble. He had not heard the cries of Harry Pick, but met the boy as he hurried toward the women. Harry was so exhausted when he reached the bank that for a few moments he was not able to walk. He called for help and climbed up to where he could see the man fishing, and finally made him understand what had happened.

The two women told the man to stay there and watch for the body to come to the surface and they ran back across the cemetery to the Dawney & Son Monument works and telephoned the police, who in turn notified the fire department. Had the women known it they could have saved considerable time by going to the water works. The firemen got the call at 5:30 o'clock and hurried to the river with poles, hooks and the lung motor.

BODY IS LOCATED.

In a little time six boats were taken to the river below the dam and volunteers were soon making a thorough search of that part of the stream between the dam and the ruins of the old wooden dam.

At 8:15 Louis A. Sheney, who lives at 1010 South Colfax street, who was working with a pole and hook in one of the boats, found the boy's cap and a moment later touched the body with his pole and brought it to the surface. The body was found in about five feet of water a little south of the main current of the river and seventy or eighty feet west of the dam. The water was quiet at that point.

The body was removed to the Dawson undertaking establishment and prepared for burial, and Coroner Monson will hold the inquest this evening.

SON OF WIDOW.

Mrs. Schall, the boy's mother, was almost prostrated. Her husband, Henry Schall, died about four years ago, leaving her with the two boys, Lewis being the oldest. Mrs. Schall said that Lewis had only been to the river twice before. He was a good boy and was always obedient. The Pike boy came along on his way to his uncle's house and asked Lewis to go with him to the Riverside school play ground to play ball. Mrs. Schall consented to this, but when the boys reached the railroad track they changed their mind and decided to go to the river. They had been amusing themselves throwing rocks as they went along, and when they stepped out onto the dam each had a handful of rocks.

Lewis Schall was born in Decatur and lived here all his life. His father conducted a news stand and cigar store and photo supply house in the 200 block on North Main street for a number of years. After the death of his father Lewis went to work at Mac's news stand, selling the Saturday Evening Post on Thursday's, and he was considered one of the best of the youthful salesmen. He was bright and energetic and had over sixty regular customers. Though only twelve years old he was a pupil in the departmental school. He was a member of the Boy Scouts of the First Methodist church, having joined just two weeks ago.

Beside his mother he leaves a brother, James Schall, aged seven. He was a grandson of James K. McDaniels of Paris and a nephew of Mrs. Harry Florey of Decatur and Mrs. Charles Hannum of Paris. He also leaves a grandmother, Mrs. Joe Grindell. He was a frequent visitor at the Y. M. C. A. and had as many friends as any boy in Decatur.

No arrangements have been made for the funeral.

5 STORY BUILDING FOR CLINTON?

Clinton, May 15. — An important real estate transaction took place Wednesday when Colonel Vespasian Warner acquired the piece of realty located on the corner of North Center street and the public square, occupied by the Phares Taxi Company. The old building which occupies this site is the last of pioneer buildings on the public square. The purchase of this valuable site by Colonel Warner means, according to a statement by him, that a modern business block of four or five stories will adorn this corner. The estimated cost of structure to be erected will be about $50,000. Rumors that the Warner bank would be moved into the new location were branded as false by Mr. Warner.

OFFICES CLOSE.

The banks of Clinton, lawyers' offices and dental offices in this city will close on Thursday afternoons the remainder of the summer.

Mrs. Earl Banks who has been employed as stenographer in the superintendent's office at the Illinois Central depot, has resigned her position. She will be succeeded by W. E. Kellington, who until lately has been private stenographer to J. J. Pelley, general superintendent. Mr. Gallagher, whose place Mr. Kellington was taking returned to Clinton a few days ago with the Thirteenth engineers and has resumed his work.

Mr. Kellington was formerly employed in the dispatcher's office in the local station.

Commissioner Harry S. Macon, head of the department of public health and safety has inaugurated a campaign for the clean up of all refuse in the local cemetery. It is hoped that all portions of the cemetery will be decorated and beautified by Decoration Day.

William Yann and Pearl Stewart have purchased the barber shop owned by Frank Stawatoski located on the north side of the square. Mr. Stawatoski will probably be retained as an employe of the shop for some time.

The touring car of Robert Smith was badly damaged at noon Wednesday in a collision with the touring car belonging to Ira Nixon of this city. The accident occurred at the corner of Adams and Quincy streets. Smith it is said, was turning the corner intending to park his car on the left side of Quincy street and Mr. Nixon, adhering to the right side collided with the Smith car.

Sir Barton Wins.

Baltimore, May 15.—Sir Barton 126 (Loftus) 4.80, 3.20, 2.20 won the Preakness Stake of $25,000 for the three year olds at a mile and a furlong at Pimlico yesterday. Eternal 126 (Schuttinger) 7.30, 6.00 second. Sweep On 126 (McAtee) 5.00 third. Time 1:53. A-Sir Barton, Eternal, Yurascarl B-Over There, Vulcanite; A-Milkmaid, King Plaudit, Routledge, Dunboyne, Vindex; B-Sweep On, composed the field.

Sir Barton, carrying the colors of Commander J. K. L. Ross of Canada led all the way and won from a field of the fastest three year olds produced by America and Europe, duplicating his feat in the recent Kentucky Derby.

SUFFERED WITH RHEUMATISM, CATARRH AND STOMACH TROUBLE

"I think 'Number 40 For the Blood' as a blood purifier has no equal. When I began to take 'Number 40' I was in very poor health as I had Rheumatism, Catarrh, Stomach Trouble, Lead Poisoning, and an Itch that I had tried almost every known remedy to relieve. I have taken six bottles of 'Number 40' and am on a fast road to recovery. I owe my life to it as I used to weigh 127 pounds and now weigh 148, my usual weight. I could write more but this should be enough to convince the most skeptical, and you are at liberty to use this letter anyway you desire." George Klinker, Lima, Ohio.

The ingredients in "Number 40 For the Blood" are set down in the U. S. Dispensatory and other reliable medical books as follows: "Employed in diseases of the glandular system, in blood poison, constipation, stomach and liver troubles, chronic rheumatism, catarrh, sores, ulcers, skin eruptions, mercurial and lead poisoning. Under its use nodes, tumors, scrofulous swellings that have withstood all other treatment disappear as if by magic."

Prepared by J. C. Mendenhall, Evansville, Ind., 40 years a druggist. Sold by Decatur Drug Co.

SERVICE STATION CONTRACT LET

Consumers Co. to Build at Main and North.

ALSO BIG WAREHOUSE

H. J. MacDonald Will Construct Both.

Contracts for the building of the filling and supply station at the corner of East North street and North Main street and of the big warehouse on the Webber land in Industry Court along the Illinois Central railroad near East Wood street, was let to H. J. MacDonald of Decatur by The Consumers Oil Refining Co., Wednesday night.

J. C. Lytle, superintendent for the Illinois and Indiana district, accompanied by the architect of the company, came to Decatur Wednesday and all details of the plan were closed up with Mr. MacDonald at once. Construction will start immediately and it is the hope of the company that the dispensing of gasoline and oil can begin by July 4 at the North Main street station.

HANDSOME BUILDING.

The plans show a handsome chalet style one story building constructed of Decatur red face brick, with slate roof and plate glass windows and the surrounding vacant ground carefully sodded and dressed up with shrubs.

The automobiles to be served will drive in on a diagonal drive under a canopy from one street, get supplies and drive on out to the other street. The air and water supply stations will be at the curb so that motorists who want only air or water can serve themselves without in any way interfering with those wanting gasoline or oil.

STORE MUCH OIL.

The warehouse will be a building fifty by sixty feet and near it will be buried four huge tanks for the storage of gasoline and oil. Each big iron tank will hold 20,000 gallons. Two large oil trucks have already been put in service and others will be added to supply gasoline, kerosene and oil to stations in the neighboring towns in the territory assigned to the Decatur district.

The total investment to be made by the company in Decatur will be between $40,000 and $50,000 at this time and the work will be rushed at both places, the up town station and the warehouse site.

SCRIBE DENIES ATTACK ON U. S.

Rio Janeiro, Wednesday, May 14.—The newspaper A Noite publishes a statement made by Madeiros de Albuquerque, a widely known Brazilian journalist, regarding a dispatch from Washington printed in newspapers here in which surprise was expressed at an interview published by the A Noite on Sunday, in which Senor Albuquerque was quoted as attacking the United States. Senor Albuquerque in the statement published today denies having ever sent any dispatch from the United States praising that country for its part in the war or its interest in Pan-American affairs adding that never during his recent visit in the United States did he send a newspaper dispatch of any kind.

"On the contrary," he is quoted as saying, "more than once in letters I called the attention of the Brazilian delegates to the peace conference to certain delicate points in the covenant of the league of nations, a fact to which they can attest. I can give excellent proofs of every statement in my original interview."

WOULD BUY OWN STOLEN GOODS BACK

Berlin, April 12—(By Mail)—The general insecurity prevailing in Berlin finds one illustration in the works of advertisements of rewards for the return of stolen property. A traveler and explorer, recently published an appeal to the thieves who stole his valuable surveying instruments and other articles of his traveling equipment, and offered to buy the articles back at their full value.

You'll find that very swaggy touch in our clothes—latest styles—fine quality and tailoring—newest shades and colorings as well as all the new novelty fabrics. When you see our clothes it will be easy to understand why so many men come to us for their clothes.

ROCHE FUNERAL HELD IN BEMENT

Bement, May 11.—Funeral services for Mrs. T. A. Roche who died at St. Mary's hospital in Decatur Monday morning were held at 9 o'clock Wednesday morning in St. Michael's Catholic church. Burial was in Bement cemetery.

Mrs. [illegible] was born [illegible] 18[illegible]. She underwent an operation in February and never recovered from its effects. Two weeks ago she went to the hospital for treatment. She leaves her husband, her sons, John W., Joseph F., Thomas A. Roche and her daughters Catherine and Mrs. Ethel Denny of Bement and Mrs. Flossie Ryan of Bondville.

Mrs. William Harris received a letter Monday from her brother Corporal Clarence C. Burns of 73rd Co., 6th Regiment, U. S. Marine corps in the 3rd army of Occupation in Coblenz, Germany on the Honningen line. Corporal Burns was kicked by a mule April 11, and his left leg was broken just below the knee. He is in excellent health. In the eighteen months overseas this is the first injury he has received.

Seventy-five men attended the Men's Forward Movement regular meeting Monday evening. Several of the returned soldiers related some of their experiences. The juvenile orchestra under the leadership of Miss Nellie Alvord furnished the music, except two duets sung by Carl Lamb and Thomas Atkins.

Mrs. J. H. Camp and granddaughter Mrs. Ralph Stone, will go to Neoga Friday to visit relatives. They will visit a cousin in Albion and in Lincoln will be guests of Mrs. William Poynter whose husband, the late ex-Governor Poynter, was a cousin of Mrs. Camp.

Wilbur Youngman, recently returned from overseas and discharged from the service, visited his uncle William Hughes Tuesday. He was a student at the University of Illinois when he enlisted and after a visit at his home in California will return to the university to finish his course.

Nelson Loveless and children are moving here from Chicago.

MACON.

Mr. L. A. Nichols of Decatur was a business visitor in Macon Saturday.

Miss Gladys Bromley returned to her home in Decatur Tuesday evening after spending a few days in Macon.

Mrs. Chappel of Decatur is spending a few days in this city the guest of Mr. and Mrs. L. A. Chappel.

Mrs. G. A. McLaughlin is reported on the sick list.

Mrs. Carrol returned to Decatur Sunday after spending the past two weeks with relatives in Macon.

Mrs. Mary J. Lee of Decatur is visiting at the home of Mr. and Mrs. Newton Akers.

Mrs. Harriett Daugherty spent the week end with relatives in Dalton City.

Mr. A. C. Hall of St. Louis is spending a few days at the home of Mr. and Mrs. A. Witts, north of town.

Mr. Eaton took seriously ill while on the street Tuesday and is still in a serious condition.

Mr. and Mrs. James Powell were the guests of Mr. and Mrs. Hardy Hall in Decatur Saturday evening.

Miss Tenia Hill has returned to her home in Decatur after completing her term of teaching at the Davis school east of town.

The Turner school west of town of which Miss Edna Buxton teaches, closed Tuesday, May 13 with a picnic dinner. Miss Buxton has been engaged to teach the coming term.

The [illegible] Bros. of Decatur were business visitors in Macon Tuesday.

A large crowd was in attendance Monday evening to see the home talent play "Hearts and Diamonds." This being the second time it was given.

A May festival will be given on the lawn of the Macon school grounds Friday evening May 16, at sun down, after which refreshments will be served, also a social time enjoyed. There will also be several booths.

Miss Caroline Gutbridge is nursing at the [illegible] home this week.

Mr. J. Carman left Tuesday for Vandalia where he will visit relatives for a few weeks.

Miss Sue Davis has been engaged to teach at the Davis school east of town the coming term.

Miss Leona Dundas who is attending school in Bloomington spent the week-end with her parents Rev. J. Dundas and wife.

A large crowd attended the services at the churches Sunday it being Mother's Day. A special program was given [illegible] and former pastor [illegible] M. E. church preached at the M. E. church.

[illegible] daughter of Mr. and Mrs. Karl [illegible] who has been very ill is reported [illegible].

[illegible] of Jacksonville spent a few days this week in Macon.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

DOCTOR ADVISED CHANGE OF CLIMATE

Run Down and Lungs Hurt—Stayed Home and Gained 22 Pounds.

"In November, 1911, I had a severe cold and la grippe, which left me with a bad cough. My lungs and shoulder blades hurt so I couldn't sleep and I finally had to give up my job as street car motorman. My physician told me to change climate. In April, 1912, I began taking Milks Emulsion. On the second bottle I could see a change. My appetite was better and I continued to gain strength and weight. Now (August 21, 1912), I have used 15 bottles, have increased 22 pounds in weight, and believe I am permanently cured." W. F. Bourland, Route 6, Wolf City, Texas.

Mr. Bourland was fortunate in commencing to use Milks Emulsion while his case was in an incipient form. Even in more advanced cases, Milks Emulsion has wrought wonders. It costs nothing to try. It is guaranteed.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to run down nervous people, and it has produced amazing results in many cases of tuberculosis of the lungs. Chronic stomach trouble and constipation are promptly relieved, usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. A truly wonderful medicine for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee. Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and $1.20 per bottle. The Milks Emulsion Co., Terre Haute, Ind. Sold and guaranteed by the Decatur Drug Co.

PASSPORTS HARD TO BE SECURED

Must Visit Internal Revenue Office First.

They are tightening up the tension on European travel says H. P. Gardner, division passenger agent for the Wabash, and also steamship agent. It is about as easy for a camel to pass through the eye of a needle as it is to secure the permit, passport and passage for a trip to Europe.

According to instructions received by Mr. Gardner it is now necessary for an alien to see the internal revenue collector before he sees the official who issues the permits and he must have a permit before he can secure a passport. The alien must show satisfactory evidence that he has complied with the income tax law for 1914, 1915, 1916, 1917 and 1918 and up to the time of his leaving in 1919. In other words if he has so far succeeded in concealing his earnings from the collector of internal revenue he must turn his pockets inside out before leaving for Europe. He is not permitted to take back with him any gains that have not been properly accounted for.

To Be Discharged.

Joe Slade, formerly car distributor for the Wabash at Decatur, was seen in the parade of the 12th engineers at St. Louis Tuesday by a number of his Wabash friends. He goes to Camp Funston to be mustered out and he expects to get home in about two weeks.

In New Position.

Albert Ginsburg, formerly city passenger agent for the Wabash in Chicago and later head of the information department of the big railroad administration ticket office has been appointed traveling passenger agent for the Canadian Pacific Steam Ship line.

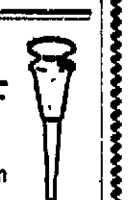

Boys Save Hedge.

The hedge in front of Calvary cemetery caught fire Tuesday evening and had it not been for several boys who came to the rescue and put out the fire, it might have resulted quite disastrously. The caretaker of the cemetery during the day had been burning grass and weeds and evidently the fire was not all out when he left. As a consequence the hedge caught fire and burned fast as it was quite dry. It was burning for a distance of ten or fifteen feet when noticed by boys passing by, who extinguished it. They had to go some distance for water.

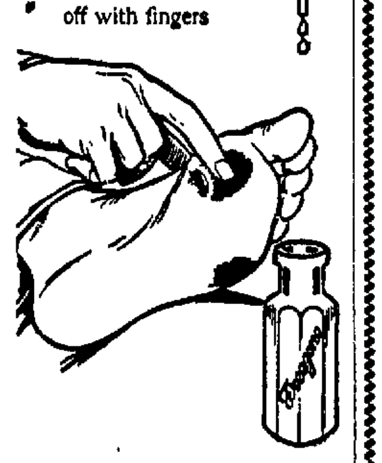

Locates Here.

Doctor F. H. Yates, who was recently discharged from the army, will open a practice with Dr. Benjamin Bachrach in suite 206 Bachrach building. Dr. Yates was stationed at Camp Gordon, Ga., for over a year. Before that he had been in general practice at St. Peters, Ill.

CALLUS CORNS LIFT RIGHT OFF

Doesn't hurt to lift them off with fingers

Don't suffer! A tiny bottle of Freezone costs but a few cents at any drug store. Apply a few drops on the corns, calluses and "hard skin" on bottom of feet, then lift them off.

When Freezone removes corns from the toes or calluses from the bottom of the feet, the skin beneath is left pink and healthy and never sore or tender.

Illiopolis, May 15—Ten pupils will be graduated from the Illiopolis high school in the annual commencement exercises to be held tonight at the Masonic opera house. The following is the list of graduates who will receive diplomas: Clara Lee Pickle, Edith Foster, Barbara Reaves, Evelyn Hoke, Billie Roberts, Ernest Fletcher Irvin, Lewis Sutherland, Irene Hillman, Ruth Redman and Rebecca Dickerson.

WHAT IS WIFE'S IS ALSO HUBBY'S

Chicago, May 15—A husband cannot steal from his wife, according to a court ruling made public today. Just home from overseas, William Stoddard was arrested at the instigation of his wife on a charge of stealing a $50 Liberty bond from her. At the hearing Stoddard said he took the bond to buy "civvies," and doff his khaki.

"What is a wife's is also her husband's," Justice W. Stevens Lewis ruled. "Discharged."

PARK FLOWERS NOW OUT DOORS

Cold Weather Has Caused Delay in Transplanting.

Park Superintendent Torrence is today braving the weather by emptying the park green houses and planting the flowers in outdoor beds. As the weather has been behaving this spring he feels that he is taking some chances but it is time that the flowers were out of doors. The beds have all been prepared in advance and the rest of it is a matter of removing the flowers and transplanting them.

The flowers that are to be transplanted are amarillas, begonias, asters, salvia, geraniums, lilies, snapdragons, primroses ferns and a dozen other varieties.

Boys Sent Home.

William Chikowski aged nine and Walter Rostek, aged eleven, were picked up by the police late Wednesday night on a charge of stealing some cigars and cigarets from the Shilling Drug store at Water and Eldorado streets. The boys also had a big roll of tire tape, which they said they got out of an automobile. The police turned the boys over their parents, and if they get into trouble again they probably will be declared delinquent and sent away.

LEAVE FOR TRIP THROUGH EAST

Mrs. Price Goes for Daughter's Recital.

Mrs. Anna F. Price and daughter Miss [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

Mr. and Mrs. [illegible] Biggs and Mr. and Mrs. [illegible] D. Biggs and [illegible] daughter, Betty Jane, who are in California, expect to spend the summer at Hermosia Beach. They are enjoying their stay in California a great deal.

The Thursday afternoon college tea at the university this afternoon was in charge of the freshman class. Ice cream and wafers were served. The president of the class, James Humphrey, and Vice President Lucile Brown presided.

Mrs. Joseph Gauger, who has been visiting her parents, Mr. and Mrs. N. H. Welsh, left Tuesday night for Chicago, and from there returns to her home in Cleveland, O.

Mrs. Wolcott-Perry returned to [illegible] Wednesday with Captain [illegible] [illegible] from New Orleans, [illegible] [illegible] on securing his discharge from the service, Captain [illegible] left for Decatur, accompanied by his cousin. They are at the Frank L. Evans home. They have not yet made any definite arrangements as to when they will leave for Italy.

Pi Beta Phi [illegible] girls are planning a picnic to be held Saturday evening, probably in the country, in honor of their province president, Mrs. Lawrence of Chicago, who is here this week. Mrs. Lawrence arrived Wednesday night, and will be in Decatur until over Sunday.

Mrs. Bernard Patterson is here from Aurora to spend several weeks with her parents, Mr. and Mrs. Frank Godwin. Mr. Patterson is teaching manual training in the Aurora schools.

Pi Phi active and alumnae members gave a miscellaneous shower Wednesday evening for Miss Gail Frede, whose marriage to J. Leverett Tallman of Shelbyville takes place May 27, at her home in Stewardson. She received many pretty gifts. About thirty girls were in the party, which was held at the home of Miss Ruth Davidson. Bridal wreath was the house decoration. Light refreshments were served.

The Tri Delta alliance had its annual election of officers Wednesday night at the chapter house. The officers named are,
President—Mrs. L. Arden Hamman,
Secretary—Miss Norma Dearth,
Treasurer—Miss Bonnie Blackburn

The C. C. club was entertained at a Thursday bridge luncheon in the Shorb cottage at the Fishing club, Thursday noon

A book review of Holmes' "Elsie Venner," was given by Miss Josephine Dedman at the meeting of Shakespeare division of the Woman's club Wednesday afternoon. Mrs. M. M. Duncan read a review and criticism of "Othello," and Mrs. Alice R. Pitner played the music for "Willow," the song sung by Desdemona before she was killed. Mrs. George R. Bacon gave an outline of the work of the division for next year.

Sensational Sale $5 to $8 Trimmed Millinery, $2.50

Friday and Saturday, as a feature of the big 15-day Underselling Campaign, H. S. Gebhart Co., will hold this season's greatest sale of millinery, offering beautiful trimmed hats that sold up to $8 for $2.50. Nearly a hundred hats to select from —lots of big ones—including all-season black hats and expensive early season colored hats of the finest straws and trimmings. 'Don't judge this offer by the price; come expecting to see desirable styles—that show their $5 to $8 quality—all at $2.50.

Ivesdale Men Involved.

T. E. Foocy and Ed O'Hara, Ivesdale men, are under bond of $200 and $500 respectively, to appear for trial in Justice Noble's court on Friday, May 23, in connection with the arrest of two young Taylorville girls here during the carnival. One is Goldie Peters and the other is Ruth Patinas. Foocy only faces a disorderly conduct charge but O'Hara is up against a charge of tending to contribute to the delinquency of a child.

Clubs

The Golden Glow club met all day Wednesday with Mrs. Edward Grubel, 1375 North Morgan street. A three course dinner was served. The table was decorated with yellow roses. Mrs. C. W. Cuningham won the club prize. Mrs. Charles Surface gave a reading. The next meeting will be held Thursday June 5, with Mrs. Charles Surface.

The meeting of the Oak Grove Crochet club which was to have been held Friday, May 16, has been postponed to Friday, June 6. The meeting will be held in the home of Mrs. W. S. Garver on the Boiling Springs road.

Mrs. J. S. Crugar, 1155 West Decatur street, entertained the members of the Needle Craft club at her home Wednesday afternoon. A short business meeting was held, and the rest of the time was spent with cards. A delicious two course luncheon was served and corsage bouquets of sweet peas were the favors. The club will meet in two weeks at the home of Mrs. Edward White, 455 West King street.

The O. B. Violet club met Wednesday afternoon at the home of Mrs. H. L. Poehler, 651 West Grand avenue. Eighteen members and three visitors were in attendance. The afternoon was spent with games and crocheting. Next Thursday afternoon the members will meet at Red Cross headquarters to sew. Light refreshments were served.

Mrs. W. G. Miller, 1314 North Broadway, was hostess Tuesday afternoon to the members of the Independance Circle. The women pieced quilts during the afternoon. The regular business meeting was also held. Refreshments were served.

The Out and Inn club met Wednesday afternoon at the home of Mrs Harry Lathrop, 1327 North College street. Crocheting and victrola music occupied the time. Little Doris Lathrop gave several piano solos. A three course lunch was served.

Life's Lighter Hours

Surprise Party.

A surprise party was given Sunday in the home of Mr. and Mrs. Fred Plinke, 824 East Leafland avenue, in honor of the sixty-fourth birthday of Mrs. Plinke. After spending the day with her daughter, she returned home to find the table set and supper waiting for her. Her son Charles, who is in the service and has not been home for more than a year, was there as part of the surprise party. Music furnished the entertainment for the evening. Those present were: Mr. and Mrs. Fred Plinke, Mr. and Mrs. Fred Francisco and children, Mrs. Henry Schulte and daughters, Bernice and Pauline, Anna Plinke, Clayton Smith, John Plinke, Mr. and Mrs. Mike Plinke from Vandalia; Mr. and Mrs. F. A. Merry of Warrensburg; Sergeant Charles Plinke, Columbus, O., and Miss Mollie Dunn of Effingham, Illinois.

Honor Hoppings.

United Spanish War Veterans and Auxiliary had their regular meeting Tuesday evening, followed by a social in honor of Mr. and Mrs. Charles Hopping, who are leaving soon for Chicago. The Auxiliary presented Mrs. Hopping a silk umbrella for her loyalty and good work since she organized the Auxiliary seven years ago, she having served as president two years and secretary three years, and having been instrumental in making the Auxiliary the success that it is today. The men presented Mr. Hopping a merchaum pipe. The ladies served refreshments and there was music and dancing.

Birthday Party.

Mrs. Lida Hickman, 1062 East Pearl street, gave a surprise birthday party in honor of her daughter, Mrs. J. F. Meisenhelter, of Peoria. The guests spent an enjoyable evening with games and music. Refreshments were served. Those present were: Mrs. Mitchell, Mrs. Manila Moore, Mrs. Stella Hickman, Mrs. May Tickell, Mrs. Emma Yancy, Mrs. Dickey, Mrs. Lida Hickman, Mrs. J. F. Meisenbelter, Edward Mitchell, Clifford Mitchell, Murvin Moore, Albert Owens, Henry Ingram and Richard Tickell.

Personal

Mr. and Mrs. H. L. McCluskey and son of San Antonio, Texas, are here visiting their son, Charles McCluskey, 155 West North street. Phloyd McCluskey of San Antonio, Texas, is here visiting his father, Charles McCluskey, 155 West North street.

Miss Glennie Weston of Kansas City, Mo., is spending two or three days with Misses Margaret and Marie Winslow, on her way north. Miss Weston is girls' work secretary of the Y. W. C. A. at Kansas City, one of the largest girls' work departments of the kind in the country.

SULLIVAN MAN KILLED IN WEST

Sullivan, May 15.—Word was received here Wednesday of the death of Paul Grigsby in California Wednesday morning. He was killed in a wreck there.

Mr. Grigsby was a former Sullivan boy and up to the last few months had lived at Salem. He worked at the tailoring trade. He is a son of Mr. and Mrs. Lou Grigsby of this city. He leaves a wife and two sons. He also leaves two sisters, Mrs. Paul M. Hankla of this city and Mrs. Bruce Eeckelberg of Shelbyville. It is possible that the body will be brought to this city for burial.

Mrs. Ed D. Bland left Thursday for Kansas where she was called by the illness of her sister.

Mrs. F. M. Craig, Mrs. M. Ansbacher, Mrs. Almond Nicholson, Mrs. James H. Smith, Mrs. Z. B. Whitfield were Decatur visitors Thursday.

Mrs. William Kinsel was a Decatur visitor Thursday.

JOIN OUR NINE O'CLOCK CLUB

Do Your Washing In The Early Morning!

Endorsed by "Good Housekeeping" Magazine

VOSS O'CLOCK

NINE O'CLOCK

FREE TRIAL OFFER!

To any resident of Decatur or nearby we will deliver for free trial the famous "Voss O'Clock-Nine O'Clock" Platform Washer. You may do your washing before you obligate yourself to the purchase of the machine. Get thoroughly acquainted with it—then make your decision.

OUR EASY PAYMENT PLAN

makes it possible for every family to have a Voss Electric machine. After a trial, you pay us $10 down and $2.50 a week for forty-six weeks and the washer is yours.

A Complete Home Laundry In Itself

Washing—the Heaviest of Your Household Tasks—Is Easily and Quickly Done If You Become a Member of Our Voss 9 O'Clock Club!

THE VOSS ELECTRIC WASHER

Is the Only Self-Draining Machine—Does "Everything But Hang Out the Clothes"

The Voss Latest Model Platform Electric Washer is the most practical, complete and convenient household washing machine manufactured today. It cleans the clothes so thoroughly that there is little else for you to do but hang them on the line.

Features not found in any other washing machine are the self-draining tubs, which do away with all lifting of water, the famous Voss double-wringer control which allows the operator to regulate the wringer either by the hand lever or the foot treadle, and the movable wringer which wrings out the clothes into any one of the three tubs, a slight push either forward or backward placing it in the right position.

HERE'S SOMETHING THAT YOU SHOULD KNOW:

One of the most desirable features is the famous Voss Vacuum Dasher which is so easy on the clothes and so thorough in cleaning them. This is the dasher that takes its air supply from inside the tub allowing the water to retain all its heat. A valve controls the air pressure, and automatically forces the hot suds and steaming water through the clothes, dislodging every particle of dirt.

In operation, the Voss Platform Washer saves all extra steps, the clothes going in a straight line from the washer through the wringer into the rinse tub, thence again through the wringer into the blueing tub and then into the clothes basket.

Call at this store or phone us and a representative will see you to explain this machine and our offer in detail.

Rex Electric Company

114 East William Street Decatur, Illinois

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, blotches, ringworm, rashes and similar skin troubles. Zemo, obtained at any drug store for 35c, or $1.00 for extra large bottle, and promptly applied will usually give instant relief from itching torture. It cleanses and soothes the skin and heals quickly and effectively most skin diseases.

Zemo is a wonderful, penetrating, disappearing liquid and is soothing to the most delicate skin. It is not greasy, is easily applied and costs little. Get it today and save all further distress.

U. S. CITY MANAGER RULES ALONG RHINE

H. M. WAITE

Coblenz—H. M. Waite, was a city manager in Dayton, O., before he entered the army as a colonel of engineers. Now he's manager of a score German cities in the American zone of occupation. Waite finds the German city government are efficient and that the mayors are able to give him data the day it is asked for that he and his staff expected would require weeks to compile. "Beyond doubt, the German mayor knows his job," says Waite, "but the whole democratic spirit of our manager cities is missing."

SUCH IS LIFE

By O. B. JOYFUL.

Federal Judge Walter Evans, Louisville, Ky., says the war "legally ended Nov. 11."

Federal Judge E. E. Cushman, San Francisco, Calif., says the war "doesn't legally end until the president notifies the people by proclamation."

Which makes it look like Kentucky is out of the war, and California isn't.

How long will the fool hen go on laying Easter eggs and letting the rabbit cop the credit?

EASTER EGG EATERS, LISTEN.

Louis Gill, Montgomery City, Mo., has challenged the world to an egg eating contest, offering to wager up to $500 that he can get on the outside of more eggs than any other person. Louis says 50 eggs make him only a good meal. He bars no variety, hen eggs, duck eggs, goose eggs, fried eggs, boiled, scrambled, poached or raw.

Then they removed the reporter to the straitjacket.

"A duel was fought," he started writing, "by Alexander Shott and John S. Nott. Nott was shot and Shott was not. In this case it is better to be Shott than Nott. There was a rumor that Nott was not shot, and Shott avows that he shot Nott, which proves either that the shot Shott shot at Nott was not shot, or that Nott was shot notwithstanding. It may appear at the trial that the shot Shott shot shot Nott, or, as accidents with firearms are frequent, it may be possible that the shot Shott shot shot Shott himself."

WHAT DO YOU THINK OF THIS?

Springfield, Ill—Sam Murges, retired farmer, was (but never again will be) fond of persimmons. He has had his fill. After one persimmon gathering trip, in which he ate heartily of them, Murges began having stomach troubles. An operation the other day disclosed the fact that persimmon seeds in his stomach had started to sprout. Sam now admits the stomach is no place to grow persimmon trees.

And Still the Sun Rises and Sets.

The president of the United States is in Europe. So is the secretary of state. So's the secretary of war. So's the secretary of the navy. So's the chairman of the Federal Trade Commission. So's the Food Administrator. But the people are still at home.

NEW CHAMBER OF COMMERCE HEAD

Washington, May 15. — Homer L. Ferguson, of NewPort News, Va., president and general manager of the Newport News shipbuilding and dry dock company, has been elected president of the Chamber of Commerce of the United States here as the result of a mail vote of the organization's board of directors.

Mr. Ferguson succeeds Harry A. Wheeler, of Chicago, who declined re-election after serving two separate terms. Mr. Ferguson was nominated immediately after the annual meeting of the organization at St. Louis this month.

SCHOOLS

Riverside.

The Mothers' club of the Riverside school had a called meting Wednesday afternoon to make caps for the Riverside pupils to wear in the pageant. Officers for next year were nominated.

Oglesby.

Th Mothers' club of the Oglesby school will meet at 3:30 Friday afternoon if the weather is such that the pageant can not be held. Mrs. Charles Kemper and Miss Nelle Fuller, who are leaving the school system this year, were entertained at luncheon Tuesday noon at the Oglesby school.

Dennis.

The Dennis school Mothers' club met Thursday afternoon.

Lincoln.

The meeting of the Lincoln school Mothers' club has been indefinitely postponed because of the pageant.

E. A. Gastman.

The Mothers' club of the E. A. Gastman school will sell ice cream cones in Fairview park Friday afternoon. No cones will be sold to the children who will take part in the pageant until after the pageant.

DR. J. C. HESSLER LINCOLN SPEAKER

Will Deliver Commencement Address on June 20.

Dr. J. C. Hessler of the university has been secured to deliver the commencement day address to the graduating class of the Lincoln high school this year. Commencement comes on June 20. There are about sixty members in the class. It is likely that the program will be held at the chautauqua grounds instead of the Majestic theater, as formerly.

One of Dr. Hessler's books, "Elementary Science", was recently adopted in the new course of study for the Lincoln high school.

MISS ZIMMERMAN WEDS F. B. SHAWHAN

Fifty Guests Present with Several from Out of Town.

Miss Ruby E. Zimmerman and Fred B. Shawhan, both of Decatur, were married at 8 o'clock Wednesday evening by Rev. F. A. Havighurst. About fifty guests witnessed the ceremony which took place in the home of the bride's parents, 1111 West Decatur street.

Miss Grace Shawhan, sister of the bridegroom, was bridesmaid and Edwin Gumm of Galesburg, best man. The ceremony took place in front of a bank of sweetheart roses, the ring ceremony being used.

The out-of-town guests were: Mrs. Mary Shawhan, Miss Lucy Shawhar of Danville Nate Simon of Chicago Mr. and Mrs. Arthur Zimmerman, Edwin Gumm of Galesburg and Mr. and Mrs. K. Overfelt of Terre Haute, Ind.

Mrs. Shawhan is the daughter of Mr. and Mrs. G. H. Zimmerman of Decatur. Mr. Shawhan is the son of Mrs. Mary Shawhan, formerly of Decatur, now of Metcalf. He is employed as a salesman by the National Grocery company. The couple will make their home with Mr. and Mrs. Zimmerman after they return from a honeymoon visit with Mr. and Mrs. K. Overfelt in Terre Haute.

Get Trex Now

RHEUMATIC OR BACKACHY?

Twenty-five cents worth is plenty. Try it! Take harmless, soothing Trex for just three days.

Then no more stinging rheumatic pains, good-bye chronic miserable constipation, no more sore kidneys nor aching back. Trex is wonderful! Acts right off. Trex induces natural drainage of the entire system, promptly opens your clogged-up kidneys, liver and bowels, cleans the stomach of fermenting gassy foods and waste, dissolves out irritating rheumatic poisons, relieves feverishness, headaches, dizziness and constipation misery. Don't stay "knocked out" any longer. Get this quick relief today. On sale at cut prices.

ORANGE BLOSSOM SUPPOSITORIES

A famous remedy for all female diseases. Call for a free sample and booklet. Regular $1.00 size, only ... 85c

DI-LI-PO

A digestive and liver powder. Gives instant relief to those unpleasant symptoms of indigestion, such as Heart Burn, Sour Stomach, Gas on Stomach, Gastritis, Bloating, Vomiting, Distress After Meals, Palpitation of Heart, Shortness of Breath, Burning in the Stomach, Bad Breath or Soreness in the Pit of Stomach.

DI-LI-PO, a remedy for Indigestion, Stomach Trouble, Rheumatism, Kidney and Liver Trouble.

Di-li-po will stop the trouble at once. Use it at the least sign of indigestion. It contains no injurious drugs and will not injure the weakest stomach.

Two Sizes—45c and 90c

The Secret of a Good Complexion Is Really No Secret at All.

Sem Pray Jo-Ve-Nay

Sempre Glovine

Will do it. It is a skin cleanser and protector. It replenishes the oils dried out by wind and sun, or destroyed by strong soaps and preserves the delicate texture of skin which makes it beautiful.

Try it. It is more convenient and economical than any other complexion aid.

60c Size, 50c

Girls! Have Radiant Hair Soft and Fluffy

It's No Trouble at All and Pretty Hair Always Attracts and Compels Admiration.

Women Delighted—All Surprised by Quick Action of Parisian Sage.

It's amazing how much pretty hair does towards producing the appearance of youth and beauty so much desired by women of all ages. It's really a simple matter for any woman to merit this praise since radiant hair is only a matter of care.

When your hair becomes faded, dry, streaked and scraggly, when it falls out badly and new hair cannot grow, the roots must be vitalized and properly nourished. To do this quickly, safely and at little expense, there is nothing so effective as Parisian Sage (liquid form) which you can get at any drug store or toilet counter.

It's guaranteed to abolish dandruff, stop scalp itch and falling hair, and promote a new growth or money refunded. It's in great demand by discriminating women because it makes the hair so soft, fluffy, lustrous, easy to arrange attractively, and appear heavier than it really is.

A massage with Parisian Sage is a real delight—easy to use, not sticky or greasy, and delicately perfumed—an antiseptic liquid free from dangerous ingredients, and guaranteed not to color the hair or scalp. If you want good looking hair and plenty of it use Parisian Sage. Don't delay—begin tonight—a little attention now insures beautiful hair for years to come.

MONEY TO LOAN.

We'll Lend You $100 $200 $300 or a Smaller Sum

If you can use $300 or less to your advantage and want to get it quickly and in a confidential manner, see us.

You can get the full amount in cash. No charges for investigation or for drawing papers.

We do not notify your employer, neither do we make inquiries of your friends, relatives or tradespeople. All dealings absolutely confidential.

We call your special attention to the fact that we lend at legal rates, for the reason we are licensed by and bonded to the State of Illinois to loan money in sums of $300 and less, and we are under the supervision of the Department of Trade and Commerce, all of which assures you a "square deal" in every respect.

For Rent—[illegible] acres best stock and [illegible] condition in eastern Mississippi. [illegible] good improvements; flag station on farm. [illegible] acres can be cultivated [illegible]. Will require about $2500 in stock and equipment. Or will sell this place for $[illegible] and accept [illegible] it produces until paid for. [illegible] interest. J. Albert Miller, [illegible] of Decatur, Ill.

HERE'S THE BABY SKY-SKIMMER

This, boys, beats a motorcycle for the making of thrills, and our French friends who build it tell us it will cost no more to build. It's a cute little monoplane. Note the carriage for one, the little engine overhead and the small propellor, the leaf-like wing spread and the pilot wheel under the tail. Class, eh?

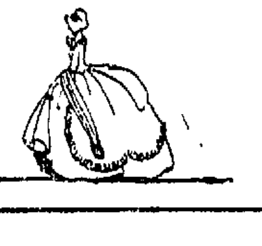

How are the Roads?

Pana—The roads continue somewhat rough although they are gradually wearing down and beginning to become smooth. Quite a number of roads here are being graded this week.

Tuscola—Nearly all main roads in this vicinity have been scraped since the recent rains and are now in good condition.

Shelbyville — Roads are getting smoother.

Sullivan—The roads are getting into good condition in all directions out of this city.

There is a certain dignity about a National Sedan that owners prize almost as highly as its quick, quiet performance.

ENGLAND'S TRIBUTE TO EDITH CAVELL

Public Funeral of Nurse Executed by Huns.

[By The Associated Press.]

London, May. 15. — England paid tribute today to Edith Cavell, the English nurse executed by the Germans at Brussels, Oct. 12, 1915, here today when her body, en route from Brussels to her native city of Norwich, was taken to Westminster Abbey for an impressive memorial service.

STREETS CROWDED.

It was a public funeral, in which it seemed every resident of the great metropolis endeavored to participate. The streets through which the cortege moved were congested with crowds and every inch of standing room in the neighborhood of the abbey was occupied by a densely massed multitude which was eager to do reverent homage to "that brave woman" as the Bishop of London described her, "who deserves a great deal from the British empire."

The congregation at the abbey included high officials of the government, representatives of foreign countries and men prominent in many walks of life. King George was represented by the Earl of Athlone, brother of Queen Mary.

THE SERVICE.

The service was conducted by the Dean of Westminster. No address was delivered. The opening sentences of the burial service were sung by the choir, which then sang the Twenty-third Psalm and a short lesson from the Revelations of St. John. Then came Sullivan's anthem, "Yea, Though I Walk Through the Valley of the Shadow of Death" and "I Heard a Voice From Heaven."

The Litany, the Lord's Prayer and two collects were then repeated, followed by the hymn "Abide With Me." The benediction was then pronounced and the last post and reveille were sounded.

The service, which began at noon, lasted half an hour. The procession left the abbey to the strains of Chopin's funeral march and proceeded to the station, where the coffin of plain oak was placed on a train for Norwich.

On the coffin was the simple inscription:

"Edith Cavell."

"Born Dec. 4, 1865.

"Died Oct. 12, 1915."

At Norwich it was placed on a gun carriage and was taken to Norwich cathedral. The service which was officially designated "for the funeral of Edith Cavell, a nurse who gave her life for her countrymen," followed.

While the hymn "Brief Life is Here Our Portion" was being sung, the procession formed for the march to the graveside. There the latter portion of the burial service was conducted by the Bishop and the hymn "Abide With Me" which Miss Cavell repeated shortly before her execution by the Germans, was sung. The benediction was then pronounced and the bugle sounded the Last Post.

The funeral party, which accompanied the body from Brussels to Norwich included eight members of Miss Cavell's family and prominent British and Belgian officials.

PANA PRINCIPAL GOES TO BENTON

Pana, May 15—Principal W. E. Andrews has accepted the principalship of the Benton high school at a salary of $2,700 a year. He will organize a new high school there as he did in Pana. A new high school building has just been built there which will be opened for September classes.

MISSIONARY MEETING.

On May 16 the District Woman's Missionary Society convention for the Springfield district will be held in this city at the Methodist church.

WOMAN HELD FOR SHOOTING.

Word has reached this city concerning the shooting of Mrs. Tessie C. Boyer of Fort Morgan, Colo., at a hotel in that city by Mrs. A. Faye Seitz, daughter of A. C. Seitz, a former grocerman of this city.

Mrs. Seitz with her seventeen months old baby went to Fort Morgan from her home in Denver. She went to the hotel and asked admittance to Mrs. Boyer's room. Immediately upon entering the room she shot Mrs. Boyer. The bullet piercing the outer edge of the left eye. The victim was not injured seriously and is expected to recover

Mrs. Seitz and her husband who was found in Mrs. Boyer's apartment at the time were both taken in custody by officers. Mrs. Seitz is held on a charge with intent to commit murder. Seitz was later released.

At the meeting of the city council Monday evening an ordinance creating the board of local improvements was passed. They decided it necessary to purify the city water which comes from the reservoir, which will be done by means of a settling basin. The water for domestic use will come from the wells instead of from the reservoir.

Relatives of Frank Foll of this city who has been in service overseas several months have received word that he is at Camp Merritt, New Jersey and expects to receive his discharge from service and arrive home soon.

Dr. and Mrs. Dowell and son, Clayton are visiting in Champaign. At Champaign they will visit their son Clark, who is a student at the university and on Sunday they will visit with Dr. Dowell's parents at Sheldon.

Mrs. O'Malley and Misses Anna and Marie Clark of St. Louis are guests of Mrs. George Baldwin and Mrs. Walter Schneider.

Mr. and Mrs. C. C. Swartz who have been spending the winter in their winter home at Mercedes, Tex., have arrived home for the summer.

Will Williams has returned to Taylorville.

Mrs. Claude Horsbey of Effingham is in the city visiting relatives.

Mike Pansurich who purchased the vacant lot on North Locust belonging to the Francis Davis estate will erect a modern dwelling in the near future, excavation is in progress this week. The dwelling on this site was destroyed by fire about two years ago when the Robert Hatton family were occupying the house.

Mrs. Emily Cancinee has returned to her home from Assumption where she has been engaged as a nurse for several weeks.

H. H. Falkman of Decatur spent Wednesday in Pana.

On May May 25 the annual memorial service and baccalaureate service for the Pana township high school will be held at the Methodist church. The memorial service will be held in the morning and the baccalaureate sermon in the evening.

Garrett Wright who has seen considerable overseas service in the 18th Division has arrived home.

EQUIPMENT AND OTHER ISSUES UP

New York, May 15—Profit-taking proceeded steadily on the stock exchange, among leaders under cover of further gains in less active issues, particularly General Electric. Pullman, Airbrake, Harvester and Virginia Iron, where advances extended from 2 to 6 points. United States Steel reacted 1¼, and Motors, oils, leathers, shippings and metals 1 to 3, rails offering more resistance to selling pressure. The first hour's business was large and diversified, but trading slackened toward midday, the possibility of a money flurry causing a marked curtailment of speculative operations.

MAKE SURVEY OF PROPOSED ROUTE

Mattoon, May 15.—Frank E. Bishop, county superintendent of highways, made on Tuesday a survey of that section of the proposed route of North Okaw township hard roads that is to be constructed this year. About $45,000 will be available. This will be sufficient, it is thought, to pave about three and a half miles. Part of the pavement is to be built in the North Nineteenth street road north from the Mattoon township line and part is to be built in the North Thirty-third street road from Mattoon township.

CLINTON.

MRS. CHURCH DIES.

Mrs. Margaret Church died Wednesday afternoon at 5:30 o'clock in the John Warner hospital following a long illness. She was a native of Scotland and the step-mother of C. H. Church, 817 West White street, and Mrs. Susie Long, 114 East Jefferson street, of Clinton.

Mrs. Church was born in Renfrewshire, Scotland, July 27, 1843. When she was six years of age her parents came to this country.

On June 5, 1873, she was married to C. R. Church and to this union two children were born, one of whom, William A. Church, Cleveland, O., is living.

Funeral services will be held Saturday afternoon at 2 o'clock from the home of Mrs. Long, 114 East Jefferson street, in charge of the Rev. Charles R. Thrall of McLean.

LIGHT OFFERINGS SEND CORN UP

Chicago, May 15—Although some weakness was shown in the corn market today, prices later developed considerable strength. At first, the chief influence was the announcement that beginning May 20 the government would have moderate quantities of wheat for sale. Opinion gained ground, however, that the effect of such steps would be slight and transient. Corn prices, which opened unchanged to ½c lower, with July $1.61¾ to 1.62 and September $1.54¾ to 1.55, were followed by an additional sag and then by an upturn all around to well above yesterday's finish.

Offerings were light, especially in the May delivery, which touched the highest price yet this season. The market closed unsettled 1⅛ to 3⅞c net higher, with July $1.64⅞ to $1.64½, and September $1.56⅞ to $1.56⅞.

Oats displayed firmness from the outset. Improved eastern demand was the reason assigned. After opening ⅛c off to ⅛c up, with July 66⅝ to 66⅞, the market continued to ascend. Trading in provisions was nearly at a standstill. Quotations were without important change.

Later there was covering by shorts on account of the strength of grain which more than offset a decline in the value of hogs.

CASH CORN BACK AGAIN TO $1.65

Deliveries in Decatur Small; Hog Prices Steady.

Corn prices in Decatur are again back at $1.65 after a temporary drop following the slump in cash corn Wednesday morning. Cash corn in the terminal markets was up from one to two cents and futures again made a slight advance.

Deliveries at Decatur mills are very small being confined mostly to corn which was sold some weeks ago.

Hog prices are remaining steady with only slight changes of from ten to fifteen cents a day.

Decatur dealers are offering the following prices for grain:

No. 2 wheat	$2.07@3
White corn	1.65@
Yellow corn	1.65@
Oats	.65@
Rye	1.35@

ANOTHER FORMER GERMAN SHIP SAILS

Brest, France, May 15—The liner Imperator, which was turned over to the United States by Germany under the armistice agreement, sailed at 10 o'clock this morning for America. On board were 1,100 first class passengers; 2,200 second class, including the 354th Infantry, the 17th Infantry brigade headquarters, evacuation ambulance company No. 11, and 810 women nurses, Y. M. C. A. workers and soldiers' brides. This is the first overseas journey for the Imperator under the American flag.

$26,000 HOG SALE AT LOVINGTON

Lovington, May 15—One of the biggest deals in hogs ever made in this country, was made the first of this week when Harry C. Kearney sold to W. L. Bailey 657 hogs at 19½c, totaling $26,000. The hogs were shipped to Chicago and Indianapolis. These hogs were almost all fed by Mr. Kearney.

COUNTY BRIDGE SITE SELECTED

Council Votes Unanimously for Engineers to Proceed With Plans for Impounding Dam at 615-Foot Level—Mattes Makes Motion.

By unanimous vote Thursday morning the city council passed a resolution authorizing Pearse & Greeley engineers to proceed at once with the plans for the water impounding dam at the County bridge site selected by the old city council.

While the vote was unanimous, Mayor Borchers was so much in favor of the St. Louis bridge site that it was not until after Porter J. Millikin had been called in to explain that [illegible]

It was known Wednesday night [illegible]

[illegible]

MEET TONIGHT.

The committee of twenty-five, appointed by the city council to finance the construction of an impounding dam, is called to meet at the Decatur Club rooms at 8 o'clock sharp, tonight, May 15th. It is very important that all members be present, and the following will please take notice: A. G. Webber, Hubert Mueller, A. E. Staley, Heston I. Baldwin, Wilson M. Bering, Clyde R. Lyon, Charles A. Ewing, Charles P. Hachmann, J. R. Pogue, O. B. Gorin, J. A. Merriweather, A. M. Kenney, J. L. Bartsch, Will Paul, C. H. Leon, W. A. Wallender, H. C. Burke, Dr. William Barnes, T. W. Hanuff, Dr. E. J. Brown, W. H. Suffern, L. W. Cook, J. J. Moloney, Frank Curtis, Guy N. Scovill.

W. M. BERING, Chairman.

[illegible] street then and own it yet. I had two other lots and I traded them to Commissioner Mattes for the site of my present home. When I lived in the northeast part of the city I favored building a big dam at the St. Louis bridge. I still favor it. If I am mercenary now I was mercenary then.

"One of our prominent citizens who ten years ago was in favor of the dam at the St. Louis bridge and who only last Wednesday night spoke to me about the terrible crime that was about to be committed against the people of the west part of the city has changed his mind and is now advocating the County bridge site. Why he changed his mind I don't know. If the dam is put above the Illinois Central bridge and at the 615 level all the bridges up stream will have to be raised. If placed at the St. Louis bridge more water will be impounded and no bridges will have to be raised.

SEWAGE DISPOSAL.

"The city of Decatur has been promising for years to dispose of the sewage and nothing has been done. And about now it is proposed to put the sewage disposal plant in my front yard and in the very heart of the best residence district of the city. I don't believe anybody wants sewage from his own toilet dumped in some other person's front yard or back yard."

He referred to the A. of C. meeting at the Y. M. C. A. and declared that when the motion that it was the sense of the meeting that the dam be located at the County bridge site was finally put the ayes were called for and the motion was immediately declared carried without calling for the negative vote.

WANTS ST. LOUIS SITE.

"An effort is made to have us believe that that is the sentiment of a majority of the people. I believe the sentiment of a majority is for the St. Louis bridge site, where we can get more water at a less altitude, and for me as mayor to vote for a proposition without assurance that this sewage proposition will be taken care of is wrong. Every child in the west part of the city would have a right to point at me the finger of scorn.

"Under the agreement with the sanitary district commissioners they are to pay the city $100,000 in four yearly installments. Now if there is any way for the sanitary commissioners to come in here and say they will locate the sewage disposal plant west of the St. Louis bridge you won't have much trouble with your mayor. Many of the proceedings in connection with the dam are irregular. Evidently they never heard of the rivers and lakes commission, from which they must get a permit. They must also get a permit from the public utilities commission."

LOCATING SEWAGE PLANT.

It was predicted that when the committee of twenty-five makes its report on a financial plan it won't have long legs to stand on. He then asked if any member of the sanitary district commission was present to inform them where the sewage disposal plant is to be located or to promise it would be west of the St. Louis bridge.

Porter J. Millikin, one of the trustees, was present and he said that personally he was willing to do anything possible in the interests of Decatur. He said that the statement that the disposal plant was to be placed at the Union street sewer outlet was erroneous. That that was merely a suggestion. However, he said that even if it were placed there one could stand over it and not know it was there, but even at that he didn't want to put anything over on the people that was objectionable. He would pledge his personal word to take no action until everything had been thoroughly investigated. "I can't promise you anything," he said, "because I am not the board."

WANTS PROMISE.

"Will you promise me," asked Mayor Borchers, "for the people of Decatur that you will use your best efforts to locate the plant west of the St. Louis bridge?"

"If you want to make it a ready-made contest we will enter the ring with you," said Mr. Millikin. "The plant will be located at the best possible site for the best interest of the city. Just where that will be I don't know. You can't draw me into anything till I've had the benefit of the opinion of experts and have consulted with the other members of the board. I want to show the members of the board the same courtesy you want to show the members of the council. I am ready to give you, for your vote, a promise to do anything that is reasonable, but you can't trap me into anything. I will promise what is fair, reasonable and decent for all the people of Decatur. The sanitary district was organized with the idea of helping out the city council in financing the water impounding dam."

LOOKS TO FUTURE.

Commissioner Montgomery said everybody seemed to be thinking in terms of the present; that Decatur has to grow; a city planning scheme is on foot, locating the factory district in the northeast part of the city and the sewage disposal plant at the extreme southwest, the farthest possible distance from the factory district. The city must grow in between, north and west. If the disposal plant is placed just below the St. Louis bridge it will soon be surrounded by residences and the same objection will come up again.

"Nature," he said, "has prepared certain sewage disposal facilities in the north west part of Decatur. Stevens creek will some day be the route for a main sewer up there. The old council wisely selected the site west of Stevens creek for the sewage disposal plant. God made that place as a site for Decatur's sewage disposal plant. If you want to get rid of Decatur's sewage permanently don't place the plant just below the St. Louis bridge, but take it to the land purchased west of Stevens creek. Put the dam at the County bridge and the sewage disposal plant at the place God made for it."

GETS APPLAUSE.

Mayor Borchers said that the sewage disposal matter had been the principal one with him, and on the assurances given by Mr. Millikin, he would vote aye. This last statement was greeted with applause.

Wilson Bering of the citizens committee of twenty-five said that the sub-committee would probably have a report on the legal aspects of the case this evening; that the main committee could consider it Friday and report to the council at 10 o'clock Saturday morning, if the council would adjourn to that hour, and when the council did adjourn it was till Saturday morning.

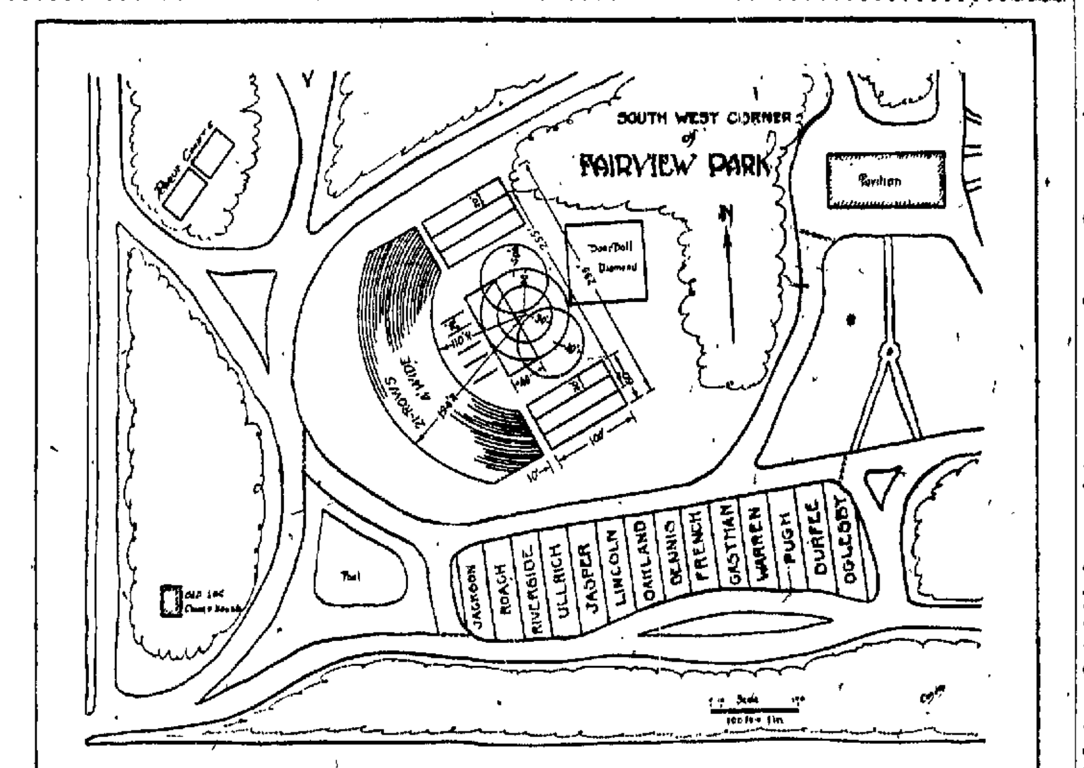

A telegram was sent to Pearse and Greeley Thursday afternoon telling them of the award and asking that work on the plans and specifications be started at once.

MAYOR'S VIEWS.

[illegible]

DIAGRAM FOR RAINBOW PAGEANT

How Schools are Placed for Big Pageant in Fairview Park Friday.

PARK PREPARED FOR BIG PAGEANT

Frank Torrence Has Fine Lawn for Fete.

Frank Torrence, park superintendent, and the springtime have done their part toward furnishing a perfect setting for the rainbow pageant to be given in Fairview park tomorrow afternoon. They have spread a marvelous carpet of emerald green plush. Fairview park seems more beautiful than it ever did before. There are acres and acres of smooth green sward. The weather conditions have been just right for it—plenty of rain and weather not too hot. There are few flowers yet and the trees are by no means in full leaf but the lawn is marvelous.

The hour set for the starting of the pageant is 2 o'clock and it is estimated that the exercises will last until 3 o'clock.

Mr. Torrence has had the lawn mowed twice for this pageant. It is the first big thing of the season in this park. It is now all up to the weather man who no doubt knows his business thoroughly and attends to it capably but at that he sometimes seems perversely inconsiderate of festive occasions. If it rains Friday afternoon there will be five or six thousand distressed children, that's all.

GROUND LAYOUT.

The plat made for the Rainbow pageant and reproduced in the Review today will help to appreciate the pageant as it is unfolded. The reproduction is worth cutting out and taking with you to the pageant. The plat was made by Mr. Westlund of the high school faculty. Blue print copies were placed in the hands of the teachers who assist Miss Fuller in conducting the pageant so that they will know exactly the place of their pupils in the pageant.

As will be seen from the plat the pageant will be in the low ground to the west and a little to the north of the big pavilion. The high ground north and east will serve as a natural amphitheater from which the pageant may be most advantageously seen.

The series of concentric arcs at the south represent the rainbow in its seven colors, each school providing a color. These schools will give the flag drill. The four partly overlapping circles are the stages on which several other district features of the pageant will be presented. In two of the inside circles the pupils of the E. A. Gastman school will give athletic games. In the other two circles the Mary W. French and the Warren street schools will give reed drills, their colors being violet and yellow.

The intricate movements of the pageant can not of course be shown on the plat, but it shows the positions and the movement from one position to another must be worked out through oral instructions and much practice.

Postpone Meeting.

The annual business meeting of the Decatur Federation of Public Teachers which was to have been held last Saturday and was tentatively postponed till this week has again been indefinitely postponed. The nominating committee has not completed its work. This is to say that persons who have been nominated have declined to serve and new nominations will have to be made.

Party Tonight.

The high school teachers party will be held this evening at the Pines at 6 o'clock. It is expected that about forty will be present. There will be supper, a program and tennis games. The supper is of the potluck variety to which every body contributes something.

Mass Contest.

The state mass contests in typewriting for high school students began Thursday. The contests are held in the home schools and all the students in typewriting take part. It is the average speed for the school which counts instead of the speed of a few selected contestants.

Holding Tests.

The psychological tests for children in the grades who have been retarded in their studies will be only partly finished this week. Because of the distractions of the pageant the tests of the upper classes will not be made till next week. The tests are being made under the direction of Prof. Holley of the University of Illinois and are showing some startling things concerning the mental capacity of children.

Attend Sewing.

Seventeen women of the W. C. T. U. attended the sewing held Wednesday afternoon at the home of Mrs. C. B. Erwin, 1046 North Church street. Tops were pieced for two quilts. Light refreshments were served

FUNERALS.

B. B. TUTTLE.

The funeral of Burton B. Tuttle will be held at 4 o'clock Friday afternoon in the residence of his daughter, Mrs. Frank Curtis, 417 West Main street. Burial will be in Greenwood.

LEWIS SCHALL.

The funeral of Lewis Schall will be held at 2:30 o'clock Friday afternoon at the First Methodist church. The interment will be in Fairlawn cemetery.

G. A. LAVERY'S BROTHER DIES

Was Former Mayor of Kankakee and President of School Board.

G. A. Lavery, passenger and ticket agent of the Illinois Central accompanied by Mrs. Lavery and their daughter, Ruth left at noon Thursday for Kankakee to attend the funeral of a brother, David Lavery. The death of David Lavery occurred Wednesday afternoon at 4 o'clock. G. A. Lavery hurried to Kankakee Wednesday when apprised of the serious illness of his brother and reached there before his death but found him unconscious. The funeral will be Friday morning at 9 o'clock.

David Lavery was one of the best known citizens of Kankakee. He was formerly mayor of the city and president of the school board. He was known to a number of people in Decatur.

MRS. HUPP DIES NEAR BLUE MOUND

Blue Mound, May 15.—Mrs. Lidia Ann Hupp died May 14 at her home northwest of Blue Mound, at the age of sixty-nine years. She was born Feb. 21, 1850 in Nelson county, Ken.

Mrs. Hupp married T. G. Hupp in Bloomfield, Ky., Feb. 21, 1871. They came to Moultrie county, Illinois, April 1887 and to Macon county in 1898. She is survived by the following children: William Hupp of Duncan, Okla., Mrs. G. M. Lambert of Decatur, Edgar, J. H., Walter and Mrs. Eva Higgins, of Blue Mound. She was a member of the United Brethren church.

Funeral services will be held at 2 o'clock Friday afternoon at the residence with burial in the Hall cemetery.

NATIONAL BANK CALL ISSUED

Washington, May 15.—The comptroller of the currency today issued a call for the condition of all national banks at the close of business on Monday, May 12.

STATE BANK CALL.

Springfield, May 15.—The state auditor today issued a call for the condition of all state banks at the close of business May 12.

COUNCIL TO BAR ALL CARNIVALS

Ordinance to Be Amended at Once.

PAVING IS WANTED

West Grand Property Present Petition.

Just before the city council met Thursday morning Commissioner Van Praag presented Mayor Borchers, as mayor, a handsome ebony gavel that had been presented to Commissioner Van Praag while presiding at the grand lodge of the Minnesota Odd Fellows, twenty years ago.

"From what I have heard I'll probably have plenty of use for it immediately," said Mayor Borchers. "Is it for me personally, is it now my property?"

"Just as mayor," said Commissioner Van Praag.

NO MORE CARNIVALS.

On motion of Commissioner Van Praag the council passed a resolution "That it is the sense of the council that in future no permits be granted to carnival companies to exhibit in Decatur, and that the city clerk be governed accordingly with reference to issuing permits and licenses." Mayor Borchers said that could not be done without an ordinance, and he voted against the motion. All the others were for it.

The bond of Charles M. Lee and Frank Fry, housemovers, was approved and a license granted them.

THREE MORE POLICEMEN.

Chief Allen presented the names of Oscar R. Hill, O. E. Walker and T. J. Collins for appointment as members of the police department and Mr. Collins also as member of the board of trustees of the police pension fund. The appointments were confirmed and their bonds approved, together with the bonds of H. S. Baker, milk inspector; J. L. Rehfelt, chief engineer at the water works, and Rufus Gardner, city scavenger.

Property owners petitioned for a new sidewalk on East Eldorado street on both sides from Seventh to Tenth streets. Referred to the board of local improvements.

The annual report of Comptroller McNabb was referred to the council pending the report of the auditor.

AMEND ORDINANCE.

On Motion of Commissioner Van Praag the corporation counsel was instructed to draft an amendment to the license ordinance so that the city clerk may not issue a license to any carnival company. This will leave that matter up to the council.

Collier Bros., asked permission to place a sign over their door at 219 South Park street. Referred to the corporation counsel.

W. O. Leedy asked for a permit to sell fire works at 726 East Eldorado street. Referred to the mayor, commissioner of public health and safety and the chief of police.

WEST GRAND PAVING.

Property owners asked for the paving of West Grand avenue with block brick, to the width of twenty-eight feet, from Water street west to Van Dike street. Referred to the board of local improvements.

The various ordinances laid over from May 8 were passed.

On motion of Commissioner Van Praag the traffic cop shelters were placed in charge of the superintendent of parks for further use. Commissioner Mattes said they would be brought out again next winter and should be preserved.

The council adjourned till 10 o'clock Saturday morning.

Held Under Bond.

Shaid Doolen, residing on West Macon street, was arrested Thursday on complaint of Mrs. C. E. Weston, who charges that Doolen took her Hupmobile five passenger car without her consent. He is under $1,100 bond to appear for a preliminary hearing in Justice H. C. Noble's court on May 23.

LAST INSPECTION STARTS TOMORROW

All City Premises to Be Visited.

OBSERVE CLEAN-UP

8,314 Places Visited in First Survey.

The Junior Sanitation League boys make their second inspection of all the premises in Decatur Friday and Saturday and this finishes the work of the year along this line. The officers of the organization want every boy to again be on the job and to inspect ever place that was inspected last Friday and Saturday. The object is to see about how many citizens really observed cleanup week by going over their places and removing all undesirable or unsightly objects.

The boys showed considerable enthusiasm in the first survey last week and doubtless will be just as enthusiastic this time as a chicken dinner is awaiting the boys making the best showing in the four districts. Furthermore, every boy taking part in both surveys will be invited to the Big Brother banquet later.

COMPLETE REPORT.

Officers of the Sanitation league have received and compiled totals of reports from the four districts. These totals follow:

No. places inspected—8,314.

Water supply—City, 5,985; well, 1,799; other sources, 547.

Garbage removal, regular service—1,119.

Privy vaults—2,563; Full, 343; fly proof, 846.

Manure piles—223.

Ashes—1,745.

Weeds—616.

Tin cans—1,402.

Dirty chicken and barnyards—497.

Tumble down fences—160.

Tumble down sheds—134.

All conditions satisfactory—3,770.

Vegetable gardens—3,101.

Flower gardens—3,062.

SOUTHEAST DISTRICT.

The southeast district leads in most of the totals as to things both desirable and undesirable but this is due to the fact in most cases, that many more places were investigated in that district. There were 2,015 places visited in that large territory, while the northwest district was second with 1,951; northeast was third with 1,936 and southwest fourth with 1,510. The latter however, is also the smallest district. In most instances, the southwest district had the cleanest showing with northwest second; southeast third and northeast last. In the number of vegetable gardens, the northeast district is really the leader with 1,428 although southeast district had 1,502. In flower gardens, the northwest district is really the leader with 811 although 858 are reported in the southeast.

OFFICE OPENED FOR FEDERATION

Miss Lucile Schulz Will Be Secretary and In Charge of Office.

The formal opening of the Church Federation office in the Y. W. C. A. building is taking place this afternoon. The room used for the office is the same as that occupied by Miss Caryl Axtell, extension secretary of the Y. W. C. A. The necessary furniture and equipment has been placed in the room and the office is now ready for work. It was expected that the different ministers, the Federation president, T. M. Deam, and the office secretary, Miss Lucile Schulz, would be present for the opening this afternoon. Miss Schulz will put in part time until the close of school and after that will be in the office regularly. She graduates in June from the high school.

One of the first efforts being made by the federation office is the securing of the names of the ministers, churches, Sunday school superintendents, other organization heads, and the like, of the city. With this information, anyone can get into immediate touch with any church leaders desired. All committee meetings and other meetings held in connection with the federation work will be held at the Y. W. C. A. In sessions where the office room is not large enough to accommodate all attending another room in the building will be used.

DELEGATES TO BE SENT TO QUINCY

A. of C. to Participate in Formation of State Organization.

The Decatur Association of Commerce will be represented at the meeting which will be held at Quincy June 10 for the purpose of organizing a state Chamber of Commerce. The meeting has been called by Edward Fawcett, president of the Quincy Chamber of Commerce, and it is expected that it will be attended by hundreds of delegates from the various commercial organizations throughout the state.

Decatur will send at least three and possibly more delegates.

James Hamilton Lewis, Lawrence Y. Sherman, Governor Frank Lowden and other prominent Illinoisans have signified there intention of being present at the meeting.

TENNIS AND GOLF TEAMS TO PEORIA

Millikin to Compete in Little 19 Contests Friday.

The Millikin tennis and golf representatives journeyed to Peoria Thursday afternoon, where they will compete in the Little 19 contests Friday. The men who will represent the university in these sports are Hubert Manning, Wayne Gill, Sea Fong Lee, and W. J. Risley.

Manning will play the singles, while Gill and Lee will play in the doubles. These men have been selected by Mr. Risley from about ten men who went out for varsity tennis. See Fong Lee, who is to play with Gill in the doubles, is the Chinese student who has been at Millikin during this year.

Mr. Risley will play in the faculty tennis matches, and will also meet other faculty men in golf. Last year he defeated Muhl, of Wesleyan at golf. The Millikin track team will go to Peoria Friday afternoon.

Personal

Dan L. Myers, baggage agent for the Wabash, left last night for Chicago en route to Hammond, Ind., to visit his brother.

Scraps of News

LAW OFFICES CLOSE.

Decatur lawyers also favor the Thursday afternoon half-holiday. Commencing this Thursday, they will close each Thursday afternoon up until Oct. 1.

OIL TO ADVANCE.

The Standard Oil company reports that beginning with May 16 there will be an advance of one cent in kerosene oil, making the price of oil per gallon 13½ cents.

BANK CLEARINGS.

Bank clearings for the week ending Thursday were $1,295,529.52. Last week they were $1,372,082.72. The same week last year they were $1,128,911.89.

INCREASE CAPITAL.

The stockholders of the Standard Life Insurance Co. of Decatur met at the headquarters and offices of the company, 364 West William street, Thursday afternoon to vote an increase in the capital stock of the company from $100,000 to $250,000.

BERRIES HIGHER.

Strawberries are scarce and higher. The quality is also being affected by the continued cold and rainy weather which seems to have prevailed in Arkansas about as it has in Illinois. It is likely that good berries will be up to 35 cents a box by Friday as the wholesale price in St. Louis has advanced sharply.

News from the Sick

Howard Kile, who underwent an operation Saturday at St. Mary's hospital, following an attack of appendicitis, is getting along nicely.

Rev. C. E. Jenney was brought to his home from the hospital Thursday morning. He is improving steadily, and now is able to be up, though not yet able to be out.

Mrs. N. E. Torrence, 201 Stewart avenue, is ill in the Washington Park hospital in Chicago.

Contagion.

W. A. Robinson, street car conductor, living on rural route No. 6, half a mile south of the Sniff bridge, was sent home Thursday morning suffering from small pox.

HOUSE PASSES NURSES' BILL

Springfield, May 15.—The senate today passed, 52 to 1, the nurses' registration bill, intended to lessen slightly the training requirements and increase the supply of nurses. It was agreed to by both nurses and physicians of the state.

Under the bill as it now stands, a two-year course would be required instead of three for the issuance of a "registered nurse" certificate. One year of high school would be necessary as a prerequisite.

Senator Boehm's resolution, directing the attorney general to learn whether the Consumers' company of Chicago is holding real estate contrary to law was passed by the senate.

PLAN TERMS FOR AUSTRIA

Paris, May 15.—The Austrian peace terms probably will be presented to the Austrian delegation Wednesday.

The terms, it is understood, require the dismantling of the famous Skoda works, among other armament plants.

The council of four this morning discussed with its military advisers the military terms of the treaty. It is understood that these are similar to those in the German treaty, including the prohibition of conscription.

DELEGATES GRANTED FREEDOM.

(By the Associated Press.)

St. Germain-En-Laye, May 15.—The Austrian delegates to the peace congress who arrived here last evening strolled freely through the streets and parks today apparently enjoying complete freedom of movement. There are no barriers here like those which surround the German delegates at Versailles.

The Austrians have made no request thus far to communicate with the German delegation.

CARNIVAL MURDER AT MATTOON

Mattoon, Ill., May 15.—Carl Red Eagle, an Indian who had been appearing here this week with the Evans carnival company, today shot and killed "Princess Arizona," his common law wife, and then committed suicide.

Births

To Mr. and Mrs. Fred Neirlekt 1485 East Main street, Wednesday, May 14, a daughter.

To Mr. and Mrs. Aleck Kladis 892 East Eldorado street, Thursday, May 15, a daughter, at the Decatur and Macon County hospital.

To Mr. and Mrs. F. W. Little of Bethany at the Decatur and Macon County hospital Thursday, May 15, a son.

Bakery Sale.

The women's society of St. John's Episcopal church will hold a bakery sale in the Parlor market Saturday morning.

DEEDS RECORDED.

Annie L. Brown to Augusta B. Fleider, lot 25, block 3, [illegible] addition—$1.

Frank Riedel to J. M. Lesser, lots 1 and 2, block 2, H. A. Tuttles' addition—$1.

Joe Schoenle to Rose M. [illegible] east [illegible] of lot 25, [illegible] addition—$1.

STREET NAMES MAY BE CHANGED

Committee Appointed to Study Question.

CONSIDER CITY PLAN

Meeting Held to Discuss Details.

That the value of the city planning work is being appreciated in Decatur was shown Thursday noon at a meeting of the Decatur City Planning Commission at the Y. M. C. A. when it was reported that an owner of quite a tract of land on West Main street had appealed to Mr. Tourgee, the city planning engineer, who has been doing some preliminary work here, for advice on laying out his property. Mr. Tourgee showed the owner of the land where he was about to make some serious mistakes and indicated how the tract should be arranged to get the best results.

Any one wishing to make suggestions in regard to details involved in the city plan or to ask any question is welcome to attend such meetings or to appear before the commission at any time. This was emphasized at the Thursday meeting which was called for the purpose of hearing reports and transacting some business.

The report of the finance committee showed that a total of $5,480 had been subscribed to the fund and with the loan campaign out of the way the committee expects to complete the fund shortly.

MAY RE-NAME STREETS.

Commissioner John F. Mattes suggested that a new system of street naming might be adopted in Decatur to the great advantage of the city. He called attention to some of the street designations which are ridiculous. Center street is to one side of the town, the series of streets number First, second, Third and the like start from no particular landmark and the multiplication of Main streets is reminiscent of the village days of forty years ago.

A committee of three was ordered to be appointed to consider this question.

The city planning engineers reported that a new and correct map of Decatur had been made and asked that the surveys of the new dam and the resulting impounding lake be secured from the city council so that the city planners could work their plans into harmony with the new decided reservoir. F. M. Meredith was appointed a committee to [illegible] the council on this matter.

W. C. Casey was appointed chairman of the educational committee which is to have for its purpose the introduction of city planning idea to the children of the public schools and to acquaint them with what the city plan work means to the community.

Propose Amendments Women's Work Law

Springfield, May 15.—All protection afforded women workers in mercantile establishments by the present [illegible] law will be lost if the [illegible] bill affecting women workers is enacted with the amendments added in the senate yesterday according to [illegible]

Household Fashions

For Honeymoon Trail—By Motor or By Train

BY BETTY BROWN.

One should be beautifully garbed when the long, long trail of love turns into the honeymoon trail. Modern brides must provide two traveling costumes—one for motoring, and one for travel on unromantic but necessary trains.

At the left is the smartest of motor coats—or really a cape dress developed in old gold colored suede velour duck, buttoned down the front and braided in self-tone silk soutache. The cape is lined in gray satin, with a close little motor hat to match.

Our train travel—or as a walking costume here is a most chic design in fine wool of French blue lined with black satin, a plain broadcloth skirt and a vest of old gold, with leather belt to match. There is a French toque straw trimmed veiled in blue tulle with a bow of peacock blue.

Tomorrow Betty Brown will give you a peep at bridal lingerie.

DUST—HOW TO TREAT IT

BY JEAN BROADHURST.

Professor of Biology, Columbia University.

One dust particle in every 25,000,000 carries a bacterium. But the dust particles in air are almost innumerable as you may prove by trying to count them the next time you see a ray of light penetrating a darkened room. We daily breathe in about 300,000 bacteria.

JEAN BROADHURST

Most of these bacteria are harmless. And most of the harmful kinds never cause disease when mechanically removed by nose discharges, or carried away through the intestine with water and food. But many adhere to the throat and lung membrane, possible agents of infection.

Sick room air may become heavily charged with disease organism, but such bacteria do not multiply in the air. On the contrary they die off so rapidly, that outside the sick-room it is only when a nearby individual coughs or sneezes, sometimes propelling bits of saliva, etc., several feet, that fresh vigorous bacteria reach our nose and throat membranes.

But dust itself is injurious. Lint, ashes, soot and grit from pavements are all irritating to the delicate throat and lung membranes. Experimental work has proven animals more susceptible to lung infection after exposure to dust. Workers in dusty trades have tuberculosis rates and death rates several times higher than other individuals.

Most important is the frequent removal of dust constantly settling on furniture and floors, and in such manner as to insure that it is not sent again into the air of the room. In all enlightened households feather dusters, dry dustcloths and brooms have been replaced by dampened or oiled cloths, and wet brooms and vacuum cleaners.

In spring housecleanings the gradual hidden accumulation of months are removed. It is only at such times that one escapes even partly from "the tyranny of things" and is impelled to discard such dust-forming articles as worn floor coverings and such dust-collecting objects as rough-surfaced hangings, useless bric-a-brac, old papers and boxes, and unnecessary furniture.

CAKES FOR WEDDINGS

BY HIDDIE. BYE.

Properly there are TWO cakes for every wedding feast, one of which is the bride's cake cut and served by the bride at the table, and regarded as a part of the refreshments—and the wedding cake itself—pieces of which are carried home by the guests to exercise their power on happy dreams!

Here are two recipes, both favorites with famous southern cooks.

BRIDE'S CAKE (NEW ORLEANS RECIPE.)

Beat the whites of 10 eggs to a very stiff froth. Cream 1 cupful of sweet, fresh butter and add to it 2 cupfuls of powdered sugar sifted. Beat the butter and sugar mixture until very light. Mix ½ cupful of cornstarch with 1 cupful of sweet milk, and add to the butter and sugar, beating in well. Sift 2 teaspoonfuls of baking powder into 4 cupfuls of sifted flour, and add to the first mixture, very gradually, mixing well and beating light. Flavor with vanilla or rose extract, as preferred, and last of all beat in the whipped egg whites. Bake for 1 hour in a moderate oven in a loaf cake pan. Test with a straw to be sure it is done. Cover with a plain white boiled icing flavored with rose water or extract and decorate with sugar roses and candied mint leaves.

OLD-FASHIONED WEDDING CAKE (KENTUCKY RECIPE.)

Cream together 2 cupfuls of butter and 2 cupfuls confectioners' sugar, and add, one at a time, 8 eggs, beating each one in before adding another. Mix ½ cupful of grape juice with ½ cupful molasses, and 3 teaspoonfuls of mixed and ground spices, add to the first mixture. Sift together 6 cupfuls of flour and 1½ teaspoonfuls of baking soda. To the flour add 2 pounds of raisins seeded and chopped 2 pounds of currants, ¼ pound each of candied orange peel, candied cherries, and pineapple, all chopped fine. Mix all the fruit thoroughly with the flour and add to the batter mixture. Bake in a large pan, well buttered and lined with buttered paper. The cake should be steamed first for three hours, and later baked for two hours.

COWDEN WOMAN SUES FOR DIVORCE

Shelbyville, May 15.—Mrs. Faye Rasor McMahon of Cowden has filed a suit for divorce from her husband, Edward W. McMahon to whom she was married at Vandalia on June 26, 1916. At that time, according to the statement of Mrs. McMahon, her husband was in the freight service of the Clover Leaf railroad, but neither at that time nor since has provided a home for his wife.

The bill avers that because of continued intoxication McMahon lost his employment with the Clover Leaf, and since has been connected with several railroad companies. But has not kept her advised of his whereabouts. She declares that he is capable of earning $200 a month, but has contributed nothing to the support of his wife and son, Edward McMahon, Jr. Mrs McMahon asks the divorce, the custody of her son, and such sums of money as the court deems just.

OTHER NEWS

On petition of L. C. Westervelt, administrator of the estate of Mary A. E. E. Seaman, W. E. Lowe has been appointed appraiser of the estate to determine the inheritance tax. The only person directly affected by the proceedings is the sole heir, Mrs. Millie Bowen of Independence, Kans. Mrs. Seaman died Dec. 29, 1917.

Two carloads of lumber to be used in covering the reservoir at the waterworks, has arrived from Florida after considerable delay. A large force of workmen is engaged in placing the cover, which is being installed in compliance with an order of the Public Utilities Commission.

Steps are being taken to resurrect base ball in Shelbyville. Subscriptions to the preliminary fund for putting the old ball park in condition for the sport have been generous and considerable enthusiasm among the prospective players and "fans" is manifest. With the return of soldiers there is plenty of good material for a team and if present plans mature Shelbyville will not be without the national game this season.

Nearly a half hundred Shelbyville men are in East St. Louis, interested as principals, counsel and witnesses in the trials of M. O. Finks and Fred Pierce, who are under federal indictment for selling intoxicating liquor in anti-saloon territory. Pierce until recently conducted a barber shop in this city, while Finks conducts the garage on North Morgan street. Both are alleged to have dispensed booze from their respective places of business.

J. P. SMALLWOOD TO ST. LOUIS.

J. P. Smallwood, who with his wife and son has been visiting here a few days left Wednesday for St. Louis, where he has taken a position in the commerce department of the Missouri State Telephone company a similar position to that he held with the Michigan State Telephone company at Detroit before his call to the colors with the tank corps last year. Mrs. Smallwood and the boy will go to St. Louis in a couple of weeks.

TOWER HILL TEACHERS.

Miss Etta L. Fisher has been elected principal of the public schools at Tower Hill for the ensuing year with the following associates:

Assistant principal—Mrs. Cecil Evey.
Seventh and eighth grades—Miss Gertrude Moore of Cowden.
Third and fourth grades—Mrs. Sallie Winkleman of Chicago.
First and second grades — Mrs. Lola Ludy.

A teacher for the fifth and sixth grades has not yet been chosen. Sam Dart was engaged as janitor for the school building.

Findlay has a Boy Scout organization, with interested officers and committees and three patrols.

The troop committees consists of E. S. Combs, Charles Holt and Glen Coventry, the scout master, W. H. Storm the assistant scout master, M. D. Tremain and scout scribe Walter Coventry. The patrols are as follows:

Patrol 1—Leader, Glen Coventry assistant, Claude Rains; Carroll Makempence, Eliza Willis Armond Mauzey, Myron Tremain, Albert Combs.

Patrol 2—Leader, Doyle Woodford; assistant Clyde Combs; Ward Kelly, Kenzil Watkins, Ivan Spicer, Howard Hill, James Wright, Russell Meachum.

Patrol 3—Leader Earl Coventry assistant, Halford Makepeace, Charles Watkins, Robert Foster, Buster Dawdy, Ervin Spicer, Omer McCoin.

Day-old chicks are a specialty with John Biehler of Strasburg. He has hatched a great many of them this season, and disposes of them on a ready market. He ships from 500 to 1,000 a week and on one day recently shipped 200 of them to Detroit, Mich.

DANGEROUS CROSSING.

A passenger who makes the trip from Windsor to this city nearly every morning remarks about the greatly decreased danger at the Hagan crossing, a mile east of this city, where so many persons have been killed in former years. The greater safety there is occasioned by the fact that some time ago the "fill" in the track on the sharp curve just to the northeast of the crossing was removed necessitating the slowing down of the trains in their round the curve. This reduces the speed over the crossing, where a heavy toll of lives has been taken.

WED IN PANA.

Franklin P. Phegley, a son of Mr. and Mrs. William Phegley, and Miss Cora May Phelps, a daughter of Mr. and Mrs. Lan Phelps, procured a marriage license at Taylorville Wednesday noon, and went from there to Pana for the marriage service, to be performed by the pastor of the Methodist church there. Mr. Phegley is a clerk in the Henderson grocery on North Morgan street.

CISCO.

The men's class of the M. E. church gave a banquet Tuesday evening to a large number of men of this community.

Audrey Weddle, Mary Arnold and Mrs. Carl Hainline were Monticello visitors Saturday.

Pearl Rainey of Cerro Gordo is here visiting Mrs. Dooley.

Mrs. Roy Swarm spent Tuesday in Argenta.

Dr. J. O. Cletcher spent Tuesday in Decatur.

Roy Williams and son of Walla Walla, Wash., have been visiting his sister, Mrs. Fred McIntosh.

Ed Salisbury is conducting a meat market in the old Stillabower building.

Mrs. Clara Booth of Hannibal, Mo., is visiting her daughter, Mrs. Fred Pigg.

Alice Graves of Argenta is here visiting her grand-parents, Mr. and Mrs. B. C. Graves.

Othel Armstrong who goes to Decatur high school from Mt. Zion spent the week-end with Ira McCartney.

Paul White and Bernard Pattengale motored to Monticello Saturday evening.

Mrs. Adah Norman of Boulder, Colo., is visiting her parents, Mr. and Mrs. F. M. Watrous of this village.

Mr. and Mrs. D. Evey were in Decatur Tuesday.

On May 13, Mr. and Mrs. I. D. Jimmerson gave a reception for George Lyons who is home from foreign service. Several young men who have returned from military duties were there.

Mr. and Mrs. H. Clon and son went to Champaign last Monday. They will return home the latter part of the week.

Mr. and Mrs. Scott Armsworth and Mr. and Mrs. A. B. Weddle were in Decatur Tuesday.

Born to Mr. and Mrs. W. B. Rinehart May. 10, a son.

Several Cisco boys attended the reception and smoker given for returned soldiers at Monticello Friday evening.

LOVINGTON.

A. W. McKinney was here from Bethany Tuesday.

City Marshall, O. Timmons has been ill for the past week, but is able to be out now.

Harry Clore and family will move to St. Francis, Kans., soon. Clyde Wood will take Mr. Clore's place in the Hardware bank.

L. T. Anderson and family, and M. W. Munch and family were in Arthur Sunday.

J. S. Byrum and family were here from Decatur visiting Mrs. Peniwell Sunday.

The building committee of the M. E. church went to Decatur Tuesday to look at some churches there and also to confer with district superintendent Rev. English.

F. E. Rittenhouse, E. L. Neal, W. S. Magee, and Mrs. W. R. Atchison were here from Decatur Tuesday.

Mrs. Fred Sutter visited her parents, Mr. and Mrs. S. P. Drake here over Sunday.

Silas Curry and family were Decatur visitors Tuesday.

H. B. Rochester is in St. Louis this week attending an O. H. T. meeting there.

Harry Cochran and family from Sullivan spent Sunday here with E. N. Munnis and family.

Misses Lulu and Mollie Conlin were guests of T. A. Roach and family near Bement Wednesday.

Sweaty Feet Wrong and Unnecessary

Excessive perspiration from the feet is not normal and should not be permitted. It is annoying, embarrassing and ruinous to shoes. This trouble can be absolutely and quickly overcome. Cal-o-cide did it for the soldiers in training and for millions of feet in the past ten years. Get a twenty-five cent package from your druggist. The very first treatment brings most gratifying results and in a short time the trouble will positively be terminated. Some of the worst cases have been mastered in a week. Cal-o-cide also gives prompt relief for aching, tender, puffed or calloused feet. It goes right into the pores and corrects the cause. In addition, each package of Cal-o-cide contains special little plasters that will remove the worst corn in a hurry. Have good feet. Clip this out.—adv.

What is Castoria

CASTORIA is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhœa; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the Signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-Good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Fac-Simile of Wrapper.

Children Cry For Fletcher's CASTORIA

Have You Tried It?

Everybody has read the above headline; how many believe it? Have you a little-one in the home, and has that dear little mite when its stomach was not just right felt the comforts that come with the use of Fletcher's Castoria? You have heard the cry of pain. Have you heard them cry for Fletcher's Castoria? Try it.

Just help baby out of its trouble tomorrow with a taste of Castoria. Watch the difference in the tone of the cry, the look in the eye, the wiggle in the tiny fingers. The transformation is complete—from pain to pleasure. Try it.

You'll find a wonderful lot of information about Baby in the booklet that is wrapped around every bottle of Fletcher's Castoria.

GENUINE CASTORIA ALWAYS
Bears the Signature of

Says Pile Remedy Worth $100.00 a Box

I have had itching piles ever since my earliest recollection; I am 50 years old and have suffered terribly. I have used many remedies and doctors, but no cure. About 8 weeks ago I saw your ad for Peterson's Ointment. The first application stopped all itching, and in three days all soreness. I have only used one 35c box and consider I am cured, not feeling any return of the trouble for 8 weeks. You have my grateful, heartfelt thanks, and may everyone that has this trouble see this and give your ointment, that is worth a hundred dollars or more a box, a trial. Sincerely yours, A. Newth, Columbus, Ohio.

Peterson's Ointment for Piles, Eczema and old sores is only 35 cents a box at all druggists. Peterson Ointment Co., Inc., Buffalo, N. Y.

AS YOUNG AS YOUR KIDNEYS

The secret of youth is ELIMINATION OF POISONS from your body. This done, you can live to be a hundred and enjoy the good things of life with as much "pep" as you did when in the springtime of youth. Keep your body in good condition, that's the secret.

Watch the kidneys. They filter and purify the blood, all of which blood passes through them once every three minutes. Keep them clean and in proper working condition and you have nothing to fear. Drive the poisonous wastes and deadly uric acid accumulations from your system. Take GOLD MEDAL Haarlem Oil Capsules and you will always be in good condition. You will feel strong and vigorous, with steady nerves and elastic muscles. GOLD MEDAL Haarlem Oil Capsules are imported direct from the laboratories at Haarlem, Holland.

They are a reliable remedy which has been used by the sturdy Dutch for over 200 years, and has helped them to develop into one of the strongest and healthiest races of the world. Get them from your druggist. Do not take a substitute. In sealed packages—three sizes.

33 D PARADES IN THREE SECTIONS

Decatur Boys in Chicago About May 25.

MORE BOYS SAIL

Gov. Lowden Leaves Today for New York.

The Thirty-third Division will parade in Chicago probably in three sections of about 7,500 men each.

The first section will be in Chicago on or about May 25.

Col. Abel Davis of the 132d Infantry is in command of the 2,200 men aboard the Mount Vernon. In addition there are two machine gun battalions and one headquarters company. The transport is due Saturday.

On the Mt. Vernon is Co. A of the 124th Machine Gun battalion, Co. A being largely composed of Decatur boys.

UNITS ON THE WAY.

Following is a complete list of the units now on the seas:

Infantry, Sixty-fifth Brigade — Brig. Gen. Edward L. King; 129th Infantry, Col. Charles M. Greene; 130th Infantry, Col. John V. Clinnin; 123d Machine Gun Battalion, Maj. Albert L. Culbertson.

Infantry, Sixty-sixth Brigade — Brig. Gen. Paul A. Wolf; 131st ("Dandy First") Infantry, Col. Joseph B. Sanborn; 132d Infantry, Col. Abel Davis; 124th Machine Gun Battalion, Maj. Floyd E. Putnam.

Artillery, Fifty-eighth Brigade—One Hundred and Twenty-second Field Artillery, Col. Milton J. Foreman; 123d Field Artillery, Col. Charles G. Davis; 124th Field Artillery (commander not given; Col. Horatio B. Hackett was commander); 108th Trench Mortar Battalion (most of the men already home), Capt. Frank Frazier.

Engineers—One Hundred and Eighth, Col. Henry A. Allen.

Signal Corps—One Hundred and Eighth Field Signal Battalion (commander not listed)

Trains—One Hundred and Eighth Field supply train, Maj. Frederick S. Haines; 108th sanitary train, Lieut. Col. Harry D. Orr; 108th ammunition train, Col. Walter J. Fisher; 108th engineers' train, Lieut. M. M. Thompson.

Division Units—Headquarters troop, Capt. Herbert W. Styles; 122 Machine Gun Battalion, Maj. Mariano D. Southwick.

ON TWO OTHER SHIPS.

The Siboney is due on the 20th with one regiment of infantry and the 123d Machine Gun Battalion, Maj. Albert L. Culbertson of the latter is in command.

The cruiser Charleston, due on the 22d, is an unusually fast boat, and is expected to reach New York almost as soon as the Mount Vernon, which would bring two large sections of the division into port at practically the same time.

On the Charleston is the 108th Headquarters Company, Capt. Herbert W. Styles in command; the 108th Engineers, Col. Henry A. Allen commanding, and the Thirty-third Military Police. Col. Allen is in command of the section.

ON MT. VERNON.

Maj. Gen. George Bell Jr., the commanding officer of the division, and his staff are on the Mount Vernon. The major general's staff includes:

Brig. Gen. W. K. Naylor, chief of staff; Maj. Frederick L. Huidekoper, adjutant; Lieutenant Co. W. M. Cowles, inspector; Maj. Bernard M. Chiperfield, judge advocate; Lieut. Col. Levy M. Hathaway, surgeon, and Carl C. Oakes, ordnance officer.

LOWDEN LEAVES TODAY.

Gov. Lowden and his party will leave Chicago at 5:30 this afternoon for New York to welcome the division.

Mayor Thompson of Chicago appointed Alderman Richert, Woodhull, McCormick, Olsen, C. F. Smith and Garner to represent the city council in receiving the division in New York Saturday.

President Percy B. Coffin of the civil service commission, a captain in the old First Illinois Regiment, and Chief of Police Garrity, formerly colone of the old Second Regiment, will accompany the party.

SIBONEY SAILS.

It is likely that a number of men from Decatur and other central Illinois points left Brest, France, Monday when the transport Siboney sailed from that embarkation point with the 130th Infantry into which it is known that men from this part of the state had been transferred.

The 123d Machine Gun Battalion was also on board. This battalion is commanded by Maj. Albert L. Culbertson of Delavan, Ill., who is known to many Decatur people.

Col. Charles H. Center of Quincy commander of the headquarters trains, formerly a lieutenant in the Illinois National Guard, is in command of the troops on board the cruiser Charleston which was to sail Wednesday.

It is expected that the Siboney will reach Newport News early next week.

PHIL MILLER IN GOULD LAWSUIT

Former Decatur Attorney in Prominent New York Case.

Philip L. Miller, formerly in the law firm Leforgee, Vail & Miller and later in that of Vail, Miller & Pogue, and who some time ago went to New York where he associated himself with a prominent legal firm, is one of the attorneys in the now famous Gould family lawsuit.

In this suit which Frank J. Gould has brought against his brother George Gould for alleged mismanagement of the huge Gould estate, Mr. Miller is with the law firm of Nelson Cromwell, the attorneys for the Duchess de Talleyrand, formerly Anna Gould.

MAKE OBJECTIONS.

Mr. Miller's name had been brought before the public through the objection which the attorneys for George Gould have made to certain words or statements in affidavits filed by Mr. Miller and Walter B. Walker one of the attorneys for Frank Gould.

The object of the suit is to oust George Gould from the position of trustee of the estate of Jay Gould, the father of the Gould brothers and sisters who are airing their family financial troubles in court. Frank Gould alleges that George has speculated and otherwise mismanaged the funds entrusted to his keeping.

"I don't understand this line of reasoning."

"What is it?"

"This philosopher speaks of the fruit of ignorance."

"Well?"

"I tried to run an orchard once, but my ignorance resulted in my getting no fruit."

SIMPLE COMBINATION HELPS WEAK EYES

Decatur people are astonished at the quick results produced by simple witchhazel, camphor, hydrastis, etc., as mixed in Lavoptik eye wash. In one case of weak and near-sighted eyes a few days' use brought great improvement. In another case it stopped eye pains and inflammation. We guarantee a small bottle of Lavoptik to help ANY CASE weak, strained or inflamed eyes. Aluminum eye cup FREE. Decatur Drug Company, 351 North Water street.

VOTE ON NEW OAKLAND SCHOOL

Oakland, May 15. — The Oakland township high school board has called an election for Saturday, May 17, to decide if a new school building is to be erected and the securing of the site

The Oakland township high school board have employed J. T. Dorris of Salem, for superintendent the coming year

Jerry Hutcher, aged 84 years, a veteran of the Civil war, died at noon Tuesday after a long illness due to the infirmities of age.

Oakland township high school graduates seventeen pupils this year

J. W. Maddox, sold to J. L. Reat of Charleston, this week, the Ousley farm north of Paris comprising 287 acres and the Waren farm of 200 acres lying north of this city in Douglas county The two sales totalled over $98 000

A brown cow eats green grass to give white milk

An artist mixes red, black and blue paints to get brown.

Wise people often use charcoal to keep the teeth clean.

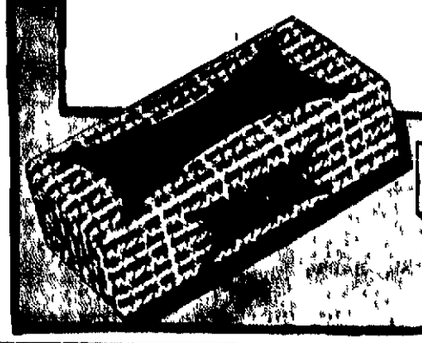

When you use golden brown Fels-Naptha Soap you make clothes white.

Every trial proves Fels-Naptha Soap makes clothes white, sweet and clean—that the soapy water into which you put the clothes to soak is white and that the suds are white.

The Fels-Naptha way is the white way of washing clothes.

Use Fels-Naptha Soap for every washing purpose.

The great big thing about Fels-Naptha Soap is you don't have to boil the clothes unless you really want to.

Fels-Naptha Soap

THE RIGHT PACKAGE FOR THE HOME CUP

America's Cup is essentially a coffee for the home. In the blending of it we have given especial attention to the production of a rich mellow coffee that could be served in the home three times a day—every day in the year

Its flavor will surely delight you and your guests.

ASK YOUR GROCER

PAYING INTEREST ON BONDS TODAY

Urged That it Be Invested in W. S. S.

The government is distributing $73,102,249 28 today This amount represents six months' interest on the Second Liberty loan bonds. Illinois' share of this will buy a good many thousand dollars worth of War Saving stamps, and the War Savings Organization for Illinois, of which Martin A. Ryerson is director, urges that the money be invested in this manner The treasury department, in a statement issued today, also points out the importance of compounding the bond interest The statement says

"Clip your coupons and buy baby bonds' Today the government pays interest on the 4 per cent bonds of the Second loan and the 4¼ percent bonds into which Second loan bonds were converted.

SHOULD REINVEST.

"Liberty bond coupons should be clipped promptly, and promptly reinvested Thriftless money, or money which lies idle, is of no benefit to the individual or community Money should be put to work where it can earn the most in the safest way, just as an individual should be kept busy.

"The government, following the Victory loan, is now paying interest to the people at the rate of nearly $1,000 000,000 a year This is the money earned by the savings of the people invested in the securities of the government Those earnings should be put to work and there is no better, safer place of employment for money than the War Savings and Thrift stamps issued by the government

"Two semi-annual interest coupons clipped from a $100 4 percent bond will buy more than a War Savings stamp which costs $4 15 this month. In January 1924 this stamp will be worth $5"

PRESBYTERIANS AT ST. LOUIS

St. Louis, Mo., May 15 —Commissioners from every section of the country were in attendance here today at the opening session of the 131st general assembly of the Presbyterian church at which a moderator for the coming year will be chosen and world issues considered in determining the church's policy.

Laymen, who for the first time are eligible to hold high offices, are taking a leading part in the assembly and several prominent laymen including William Jennings Bryan, were being supported today for moderator, the highest office in the church.

A number of issues are to be fought out on the floor of the assembly which will remain in session until May 23. A determined effort to force adoption of resolutions granting women women sex equality in church affairs, and to authorize women to act as ministers and elders in the church is sponsored by the Columbia River synod of Washington

Efforts to bring about reconciliation between the Presbyterian church, U S A., and the Presbyterian church, U. S., better known as the Northern and Southern churches, respectively, also will be made

Women suffrage, the relations between capital and labor, the interchurch world movement reclamation and reconstruction work here and aboard are other matters to be considered

While the report of the new era program, to be submitted to the assembly, endorses the inter-church movement, strong opposition to it has developed among many of the commissioners, and an adverse report on the proposition will be presented by the board of home missions.

1,000 SEE NEGRO LYNCHED IN SOUTH

Vicksburg, Miss, May 15 — Lloyd Clay, aged 24, a negro, alleged to have assaulted a young white woman, was lynched and then his body burned last night by a mob of between 800 and 1,000 persons

WAGGONER'S ARE GIVING BOYS' BASE BALL SUITS FREE

Waggoner's, the live store, is giving a regulation base ball suit absolutely free with every purchase of a boys' suit, 4 to 14 years

The suits are well made in every respect Outfit includes cap, shirt, padded pants, belt and hose.

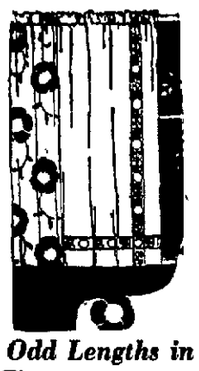

This is a most generous offer especially when you consider the fact that Waggoner's prices are very reasonable Then, too, you can get dignified credit at Waggoner's if you want it

Another big feature is—no collectors to annoy you Bring or send the boy in today if possible, before the baseball suits are all given away

This offer for a limited time only Waggoners, 320 N Main street.—

The Wm Gushard Dry Goods Co

And They Thought So Too—

When the store opened Monday, we had 200 pairs of Filet Curtains that we had promised to sell at $2.00 a pair. Our drapery department staff seemed to think that this was about the best value in Filet Curtains they had seen. in fact they knew it was a better value than we could buy wholesale in the regular markets.

But we didn't have those curtains very long—it looked Monday and Tuesday as though about a thousand Decatur women were willing to take us at our word.

So We Went After More

Too bad—but here is good news for those who were disappointed. When we saw how many were unable to buy we made a strong appeal to the firm which let us have the original 200 at such a remarkable bargain—and they listened to our appeal, not as willingly as we had hoped—but to the extent of another 100 pairs.

The shipment came in this morning by express, exactly the same values as the first lot, all full 2½ yards long and 36 inches wide, with dainty lattice, ribbon and detached figures, and neat lace edges. White, Ivory and Ecru.

They're Here Now, But No Telling for How Long.

Odd Lengths in

Cretonnes 1-3 Off

You'll find assembled in our drapery department, 100 pieces of high grade cretonnes in lengths of 2½ to 15 yards. These are patterns suitable for pillow tops, window draping and bed sets. Many of them are of the best quality.

We want to close them out, there could be no other reason for such a reduction, considering how hard it is to get them right now.

Axminster Rugs

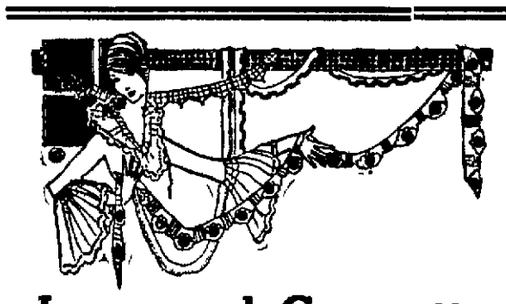

$32.50

New designs too, size 9 by 12, Orientals and Floral patterns.

It's a special offering and you have your choice of many attractive rugs, excellent quality, sure to wear well, not only the materials but patterns that won't tire you.

A Special On These Rag Rugs

Size 27x52 inch, of mottled cretonne, all nicely fringed with pretty striped borders in yellow, green, pink and blue. Priced for the week end selling at **98c**

Laces and Georgettes

STALEYS STAGE "M'GINNITY DAY"

All Ball Fans to Be Out Next Sunday.

All the oldtimer baseball fans, including Joe McGinnity are to have an inning next Sunday afternoon. The Staley management has declared it "McGinnity Day" and it will mark a sort of formal introduction of Joe to the gang of both old and new fans.

So Joe won't come out on a platform to be introduced or make any speech. That isn't Joe's long suit. He's right at home on the playing field or sitting in the dugout swapping baseball yarns but when it comes to talking he has the [illegible] habit of letting some one else do that.

[illegible]

But all of the old friends are asked to come and see him, to yell 'Hello Joe,' [illegible] and shake hands with him. It will be a tribute by the fans to the famous Iron Man. There will also be other entertainment including a game between the Staley and [illegible] McGinnity will pitch the game and thereby comes a peculiar coincidence. [illegible] thirty years ago, pitched his first ball against a Springfield team and won it.

In a letter to Manager [illegible] of the Staley team the manager of the [illegible]

Bryce, rf; Shoughnessy, lf; Alewell, cf; Fudik, p; Lentz, p; Holland and Griffin, utility.

Mt. Olive has been booked for the game here on the following Sunday, May 25.

MONTICELLO TO STAGE BIG SHOOT

Ninth Annual Tournament Will Be Held on May 22.

The Monticello Gun club is extensively advertising its ninth annual tournament to be held there on Thursday, May 22. It is likely that quite a number of trapshooters from here will attend. There are seven events on the program. The first five are twenty bird events and the last two are twenty-five birds. The seventh is a twenty-five bird handicap. The money is divided 40, 30, 20, 10, and the shoot will start at 10.30.

Tennis Results.

Games played Wednesday in the preliminary round of the May tennis tournament at the Y. M. C. A. courts resulted as follows:

C. Busher defeated Murphy, 6-1, 6-0.
Schultz defeated Van Gundy, 1-6, 6-0, 7-5.
F. Busher defeated Logan, 6-2, 6-4.
Taylor forfeited to West and Six lost to Gebhart, the score not being reported however.

DECATUR MEN IN FOUR EVENTS

Go to Champaign Saturday Morning.

The Decatur high school entries for the Interscholastic Athletic meet at the University of Illinois Saturday are as follows:

Bruso—50 yard dash.
Mount and Shaw—100 yard dash.
Mount, Shaw, Bruso, O'Connell and Wheeler—Relay race.
McKelvey—Half mile race.

The Decatur athletes will leave Saturday morning on a 6 o'clock car. The contests begin at 9 o'clock and will be finished by noon. In the afternoon there will be a track meet on Illinois field between the University of Wisconsin and the University of Illinois and the Decatur boys will attend this.

MADE GOOD SHOWING

Coach Arnold D. Jones says that the men have improved greatly since the Charleston meet. While they did not get a place at Charleston they made a most excellent showing and have been doing much better in practice.

Bruso in the 100 yard dash had never done better than 11 seconds, but in the Charleston contest made it in 10 4-5 and was fourth. Veech ran a good quarter in an unusually fast race and was fourth. There were two quarter mile races and in the other which was slower he would easily have been placed.

McKelvey was but a step behind the man who took third in the half mile. All of the men have been working hard since the Charleston meet and their work shows marked improvement. Mr. Jones will be disappointed if some of them do not win a place in Saturday's events.

FRANCE TO HAVE BASEBALL LEAGUE

Paris, Tuesday, May 15—The University Baseball league of France was organized here today. It will be made up of two circuits, it being planned to have every French university attended by students from the American expeditionary forces represented. The officers of the league are:

President—John G. Powers
Vice president—Major J. T. Quinn, University of Grenoble.
Secretary—Chaplain Paul M. Trout of the University of Paris.

The American army tennis team returned here today from Brussels where it defeated the Belgian army team on the courts of the Leopold club, winning 11 out of 15 matches.

HUMAN FLY IN THRILLING STUNTS

Easy for Him to Go Up Side of Bank Building.

Manuel Mendoza, "human fly," climbed the side of the Citizen's Title and Trust building Wednesday afternoon and evening, furnishing entertainment for several thousand spectators, most of the crowd being present at his night performance. The ascent was apparently easy for him as he walked up the side almost as if it were a ladder. In fact, several times he allowed his feet to slip off clinging only by his fingers, just to make the affair a little more thrilling. Arriving at the top, he performed several other feats, including the climbing of the flagpole on the corner of the building and balancing himself on top of the pole on his stomach.

DECATUR SOLDIERS RETURN HOME

According to reports received in Decatur on Thursday, the following Decatur men have arrived in New York with 308 Machine Gun Battery.

Bugler William F. White, husband of Irene White, 1236 North Calhoun street, with Co. A.

Lieutenant Thomas E. Dillehunt, son of Edward Dillehunt, 760 East Center stret, with Co. D.

Edward J. Lappert, who entered the service almost a year ago and who had been in France since last October, has arrived in New York according to a message to his wife Mrs. Angela Tooker Lappert Wednesday night. He was transferred from his original organization and came home with the 82nd division.

G. A. Sharp, who has been in Y. M. C. A. work in France for several months, returned to his home in Decatur Wednesday night. Mr. Sharp met a number of Decatur men over there, shortly before sailing, including W. H. Wiley and A. Kinkade, who are also in Y. M. C. A. work. Before coming home, he was able to visit many of the principal battle fields in France.

John C. Rainey, Jr., son of Mr. and Mrs. J. C. Rainey of Decatur, arrived at Newport News Sunday from overseas. He has been with ambulance company No. 67.

Harlie S. Burwell, son of Mr. and Mrs. D. A. Burwell, 1321 North Edward street, returned Wednesday night from Camp Custer, Battle Creek Mich., where he has been stationed for the last year. He was one of six men in his company to receive a perfect record in behavior with his honorable discharge.

Cecil Cox, son of Mr. and Mrs. W. H. Cox, 1226 West Macon street, has arrived in New York with the 82nd division according to a telegram received by his parents Thursday morning.

ORIENTALS POUR INTO MEXICO

Mexico City, Mexico, Wednesday May 14.—Reports to newspapers here reflect considerable concern over the increasing number of Chinese and Japanese arriving in the Pacific coast states of Mexico. It is declared that five thousand Asiatics arrived during March, and that unless restricted measures are taken the number of immigrants for the current year will total one hundred thousand.

Most of the Asiatics entering the country are taking up agricultural pursuits in the states of Sonora and Sinaloa.

OUR SOLDIERS DID IT.

Certain German statesmen of the declaiming variety are now complaining that they and the people were "hypnotized" by the [illegible] of President Wilson, [illegible]. They fear he has led them to their own undoing.

Of course it is all a cheap pretense on the part of the aforesaid German statesmen. They are reminded there was a time when they refused utterly to give any heed to the warnings of our president. They pretended to take stock in his speech only at the time they saw they were about to be beaten on the battlefield.

There was a day when President Wilson did his best in the appeal and warning line to let the Germans know that such acts as sinking the Lusitania would never do.

[illegible] President Wilson in his very best style renewed appeal and warning.

Still later the Germans, in spite of all appeals and warning from our president, told us just how we might run one ship a week on the high seas. Upon receipt of this affronting order President Wilson took his typewriter in hand once more and did his level best at spellbinding.

It was all to no purpose. The German ministers [illegible] from Berlin still the sinking of ships went on, and the president's finest rhetorical efforts went for naught.

Thereupon we accepted the challenge to war that had been thrown at us a half hundred times by the Prussians. A little later the hypnotic "fourteen points" were cast upon the sea of the world's thought. The Germans paid no attention. Just about that time they thought they were doing pretty well at the fighting front, so they didn't have any time to let themselves be hypnotized.

A few months later the tide of battle turned, and then for more than three months Foch and the Allied armies beat the Germans every day. It was not until this happened that the Prussians bethought themselves to get hypnotized by the words our president had cast upon the waters.

These Prussians took on their hypnosis when they were licked on the field of battle. Our own and our Allies' soldiers here at the front were the ones who did the trick. Any other pretense at this time is laughable.

NOT EXACTLY BUSINESS.

H. M. Owen of the school board is reported to have expressed regret, disappointment and chagrin "that the schools cannot be run in the same way in which a business firm would conduct its business."

There had been some small difference with employes of the school board, some teachers, and part of the story had got to the public. Mr. Owen must have a notion that such things do not happen in the outside world at least not in business and industrial circles.

If at this time Mr. Owen would go to Toledo and get a position on the active staff of the Overland automobile company, he might hear something new about the quiet and pleasant way in which such things are handled in the industrial world.

He might then journey on to Washington and drop in at headquarters of the railroad administration. There he can see some further working of the noiseless way in which differences are handled in the business world.

If he will step over to the office of Postmaster General Burleson, he can have another glimpse of the noiseless working of such business enterprises as the telephone wires of the country.

Go to almost any town in America at this time, any place of size, and Mr. Owen can easily find further illustration of the way these things are done. And when he returns home he may be ready to conclude that while we are a striking people, we are not exactly noiseless about it.

ARE THEY UP EARLY?

Word comes from police headquarters that people who run cars without proper license numbers will be arrested, also those who disport themselves by running with car muffler open.

Can it be there are any more of those people in town? A year ago, two years ago, and three years ago word went forth almost daily that these offenders were about to have their names inscribed on police blotters. Also there was repeated assurance all officers of the law were enthusiastic in running down the culprits.

Having reposed faith in the different ultimata and warnings that emanate from police headquarters, we supposed that by now all offenders of the classes named must be in prison for life.

If such is the case, what is the need of another crusade at this time? On the other hand, if all of them are at large and working under their old commissions, why try to work the joke on us another time? Three times is about all the repetition that pleasantry will stand.

SOFTEST THING THEY EVER HAD.

A proposition was made to the Bolsheviki in Russia to send food into that country, if the soviet regime will cease hostilities against other Russian factions.

The story is that Lenine and Trotsky have turned down this offer. As the headwriter puts it, they had rather fight than eat. At any rate Lenine and Trotsky will not halt the fighting to have a few square meals served.

All this time there is considerable starvation in Russia. We take it that Lenine and Trotsky are not getting the worst of this feature of the situation. They are probably faring pretty well, likely are getting a full ration for themselves. They leave the starvation to others.

Also Lenine and Trotsky are not at the front in the fighting. They eat, and they let others do the fighting and the starving. As they look at it, why should they accept a proposition to call a halt on the good thing? Trotsky is now getting more to eat than he ever had before, and he has less fighting to do. This is really the easiest and softest thing that has ever come his way. Doubtless he regards it as ludicrous to ask him to give up the easy thing he now has.

For Lenine and Trotsky know very well that shortly after the fighting stops in Russia they will be called on to get out and earn their own living. They had experience with this, and they didn't like it. They much prefer the berth they now have.

THEY "MAY" DO IT.

A few days since President Wilson, in an order cabled from Paris, removed certain restrictions on shipbuilding. Under this order, our shipyards may build for other countries.

There was a smile when this order was published. People said it costs more to build a ship here than in any other place in the world; therefore why should men of the sea come here to get ships?

Now there is a story from Washington that several outside countries "may" place orders with our yards for ships. There is mention of several of the countries that "may" do this, and there is no word from those countries that they "may not."

There is a good deal of difference between saying a country "may" give us an order for ships and saying that it has done so. Especially is this true when as a rule countries are not building or buying merchant ships, preferring to leave all this activity to volunteers among their citizens.

And when you get among individuals, citizens, those who are yearning to pay more for a thing than they must are rather scarce. Another kind of man is rare, the owner of an American shipyard who wants to build a ship and sell it at a loss.

It isn't easy to see how this combination of rare birds are to get together and do business on a scale of any size.

TURNING THE CORNERS.

The shelter huts we had at a few street intersections in Decatur served another purpose; drivers making turns at those intersections went round the huts, thus doing the thing about as it should be. There was no such thing as cutting the corner when turning around one of those huts.

Now that the huts are gone, there can be no daily practice and exercise in proper turning of corners. This feature of a liberal road education we are about to lose, unless something is substituted for the huts. If we don't have to drive around, some of us will take the short cut, and this may bring disaster on somebody.

All of which is respectfully referred to Commissioner Van Praag, guardian of the streets.

A majority of the citizens who gathered in the mass meeting Tuesday evening were clear in the thought that the thing the city wants at once is water, plenty water. And they seemed to be of the further opinion that oceans of discussion will not take the place of a bucket of water.

Our railroad losses for the month of March were almost sixty million dollars, right at the rate of two millions a day. And this is supposed to be an age when we are quitting the spree and getting on the water wagon.

On Tuesday Mr. Barnes made a statement about wheat that most of us were unable to interpret. But we have assurance that he means well, so must let it go at that.

Let us hope those German statesmen are not gathering the notion that we are ahead financially on those war activities they started.

How does it happen that one who has contracted the loitering habit finds the wherewithal to pay a $4 fine.

At least you can wash your face without paying a war tax.

Ten Years Ago Today In Decatur

MAY 15, 1909.

"Repeaters," children who spent more than a year in a grade at school, cost Decatur $14,743 a year. Seventeen per cent were repeaters.

Operations at St. Mary's hospital for the first five months of the year had reached 335 which was as many as the total of the previous year.

A White steamer auto owned by George Klick ran off a culvert near Bearsdale when a tire blew out. Five were in the car but none were seriously hurt.

Margaret Tauber, little daughter of Gus Tauber, 1048 East Wood, fell and broke a collar bone.

TWENTY YEARS AGO TODAY.

Mr. and Mrs. A. W. Hendricks celebrated their tenth wedding anniversary.

A burglar entered Frank Stevenson's home, corner Haworth and West Main, at 4 o'clock in the afternoon.

Prof. Frank Hamsher's history class at the high school was entertained with a talk on Cuba by Frank Dickson.

Rev. A. W. Hawkins left for Denver to attend the Cumberland Presbyterian general assembly.

All of Mayor Stadler's appointments were unanimously confirmed excepting B. C. Applegate as chief of police. He was confirmed by a vote of eleven to three.

U. S. RAIL CHIEF ON INSPECTION TOUR

WALKER D. HINES

The new director general of railroads of the United States is here snapped on the back of his private car while on a tour of inspection.

Millikin University's Value to Decatur

The James Millikin university is valuable to Decatur because it greatly increases the cultural development of the city and adds substantially a larger population of desirable citizens.

EDWARD POWERS.

MAY DAY FETE AT MONTICELLO

Monticello, May 15.—The following program will be given at the South School grounds Friday afternoon at 5 o'clock in observance of the May day festivals:

March.
Crowning of queen.
Danish Dance of Greeting by pupils of first grade.
Ace of Diamonds by pupils of second grade.
Oxen dance — Third and fourth grades.
Contest—Trallon.
Winding of May poles—Fifth and sixth grades, seventh and eighth grades, high school.
Military drill—Seventh and eighth grades and high school boys.
Finale—All school children.

The May day program will be followed by a picnic lunch. Tables will be on the grounds.

A volley ball game between the two business men's teams will follow the picnic supper. Cline's band will furnish music.

Mrs. J. C. Tippett and baby returned home from Decatur Wednesday.

A special car from Champaign took about sixty Knight Templars and wives to Champaign Tuesday evening to attend a Knight Templar meeting.

Mrs. B. L. Barker entertained the teachers of her two daughters, Miss Lois Barker and Miss Ruth Barker in honor of her daughter, Miss Ruth's birthday Tuesday evening at her home on South Charter street. Those present were Miss Esther Thompson, Miss Renfrew, Miss Lumsden, Miss McKenzie and Miss Blue.

J. C. Kuns returned home Wednesday from Greeley, Colo., where he spent a few days with his daughter, Mrs. Billie Warden. Mrs. Kuns remained for a longer visit.

George B. Lemen, former county treasurer at Rockwell City, Ia., is visiting his mother, Mrs. Sidney Lemen. Mr. Lemen formerly conducted a hardware store in Monticello.

Mrs. J. R. Hefner spent the first of the week in Chicago.

Miss Leona Coonrod and Winena McElroy spent Sunday in Champaign.

Mr. and Mrs. J. R. Hefner left for St. Louis, where they will attend the National Convention of Telegraphers to be held there this week. Mrs. J. R. Hefner is a delegate of the Woman's auxiliary of the National Association of Telegraphers.

Mr. and Mrs. J. E. Marquiss went to Quincy Saturday to visit their son Walter Marquis and family.

OFFICERS AFTER AUTOMOBILE THIEF

Effingham, May 15.—Deputy Sheriff J. Thrasher, of Fayette county and L. R. Lyons of St. Elmo were in the city Wednesday morning in pursuit of an automobile thief which they had traced from St. Elmo to Altamont. The auto was stolen from a private garage in St. Elmo Tuesday night. It was a Studebaker Six, 1918 Model. The man supposed to have stolen it is also accused of forgery.

To Kalamazoo.

Miss Marie Delahunt, 2448 East Prairie, left Decatur Wednesday morning for Kalamazoo, Mich., where she will take a position in the Bentley shoe store. She will work under the management of W. C. Stone, who moved to Kalamazoo last December. Mr. Stone formerly worked in the Folrath store in Decatur, afterwards going to Kalamazoo where he bought an interest in the Bentley store. Miss Delahunt formerly did house work in Decatur and is well known here.

Troops Go Through.

No members of the Decatur Red Cross Canteen were at the station last night to greet the soldiers that passed through Decatur over the Wabash. It was a disappointment to the canteen people and the soldiers probably do not know what they missed. The train passed through here between 10 and 11 o'clock and because of the lateness of the hour all plans of serving the soldiers on this train were abandoned.

"ASPIRIN" WAS TALCUM POWDER

Heavy Sentence Imposed on Manufacturer of Tablets.

(ASSOCIATED PRESS DISPATCH)

NEW YORK, December 31.—Accused of having manufactured and sold to influenza sufferers thousands of boxes of aspirin tablets, principally composed of talcum powder, Joseph M. Turkey, head of the Verandah Chemical company, of Brooklyn, was found guilty yesterday of violation of the sanitary code and sentenced to three years in prison with a fine of $500. The sentence was the most severe ever imposed in the country for such an offense.

BAYER

Hereafter say, "Give me genuine 'Bayer Tablets of Aspirin.'" Insist you want only the Bayer package with the "Bayer Cross" on the package and on the tablets.

Don't buy Aspirin in a pill box! Get Bayer package!

Boxes of 12 tablets—Bottles of 24—Bottles of 100—Also Capsules.

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

Don't Diet—Eat Good Food

Don't diet a weak stomach—exercise it by eating good food. The stomach muscles, like other muscles, are weakened by dis-use or over-use. Eat moderately of good food, and if your stomach does not take care of it properly take a Eupepsia Tablet before each meal until digestion, acidity and all discomfort disappears.

Eupepsia Tablets assist the Stomach muscles to act naturally and comfortably. They start the flow of gastric juices, arouse the activity of the secretions, and gently stimulate the entire digestive tract. You feel their beneficial effects almost immediately. You have tried many remedies for your stomach—now use the right one—the one that relieves almost instantly.

"I am not acquainted with any medicine that is equal to EUPEPSIA TABLETS. I have employed them in several cases of nervous dyspepsia, heartburn, indigestion, catarrh of the stomach and gastralgia, and they have always offered me flattering results.
WM. HOOKER VAIL, M. D.
St. Louis, Mo.

J. G. Starr & Son

East Main and Franklin Streets Decatur, Illinois

You Can "Spot" A Shirt That's Made-to-Measure

You can "spot" the made-to-measure shirt the minute you see it on its owner. There's a smartness about it that cannot be imitated—and then, besides, it FITS.

Leaving the better appearance out of consideration altogether—isn't it worth while to have the neckband EXACTLY the right size—and the sleeves the proper length?

Men who appreciate the niceties of dress will never go back to ready made shirts once they wear one tailored to their measure.

Get an extra pair of cuffs for each. Gives twice the service. We make them to attach.
